## TWO FARMERS DEAD; MURDER AND SUICIDE VERDICT MRS. FERGUSON VICTOR IN AUSTIN COURT NOMINATION TRIAL

### Our Town

This is an era of relief and relieving. The Texas Legislature was called to convene during the campaign. We wonder just how sincere was the feeling of sympathy for tax burdened people. It looked like a good political move and then besides the bond holders are pretty powerful folks. They thought it best. They didn't care as much about relief as they cared about collecting their money. Bond prices have been sagging mightily low and too there was scant prospect of payment of interest and principal on the bonds. The farmers and business men have been down on the ground with Hoover and they can't pay. The bond holders knew gasoline money would be coming in so why not tap the state revenue.

It was a simple matter of course. All they had to do was to tell Ross to call 'em together. A similar piece of legislation had been vetoed the year before but that didn't make any difference. The big boys wanted to make sure they would get their money and while they were going about it they took an extra amount of pay. After all the people would not know about it until it was too late. To practice a little deception is just good business. So the people got relieved and at the same time were relieved.

Many crimes are done in the name of economy and good government. The mass of people don't think. They follow and the blind leads the blind and they both fall into the ditch. It meant \$600,000 to Milam county tax payers. That is they would not have to pay off their bonds—the remaining unpaid part. What had been paid on the roads could not be taken up by the bond holders. No use to do that. Let the property owners lose that. After all they had been using the roads. So they said it means a lot of relief to the tax payers.

While they were assuming payment of the bonds they took away all title to the roads. They are going to pay off the bonds but they have taken the roads, lock, stock and barrel. No member of the Legislature raised a voice. He might have been misunderstood at that, because relief was in sight. Nothing was to be said about being relieved. Section 9 of the bill says that as a condition of discharging the obligation for the bonds, "the title and possession of all roads, roadbeds, bridges and culverts, in such county and defined road districts which are included in the system of designated State highways, shall automatically vest in fee simple in the State of Texas."

No matter. We got relief. We lost our roads but we can build some more. That's what we will have to do some day. The state owns them now. Next thing we know the Federal Government will control them and then the Commerce Commission can lend its effort to secure them for the railroads and transportation lines. It's a mistake in practically every instance to make concessions. You cannot accept aid without giving up something. If the state had merely paid off the bonds without taking title to the roads it would have been real relief. As it worked out the whole matter was an adroit negotiation by brokers to save their clients and grab something for the boys who helped to put it over.

They are going to publish Jim Ferguson's life story. At last his side will be told. It will be an important as well as historic Texas political document. It is going to be a story uncurbed by prejudiced press and publicity. It will be refreshing to have the other side—Jim's side—the side to which the most loyal people ever known in history to the standards of any man—still cleave and believe. For 18 years he has been clinging to a cross of hatred, mailed fast by fanatics who took advantage of rabid controversial clusterings. Maybe Jim has not always been even of temper or superior in judgment, but he has kept the faith and fought a good fight. He stands out today as in all the years when lashed by the storm of criticism and hatreds, the strong-

### FARMER TURNS GUN ON SELF AFTER NEIGHBOR IS SLAIN ON FRIDAY

The bodies of two farmers were found shortly after noon on Friday, September 30 south of Pettibone, both having died from gunshot wounds. The dead: Paul Pfirdrescher, 67 and Joe Hampel, 61.

The body of Hampel was found by members of his family and it was believed he had been killed about 11:30 on his way home to lunch from his cotton field. The body of Pfirdrescher was found by members of his household about 12:30 p. m.

Justice of the Peace J. M. Ralston in company with officers went to the scene and viewed the bodies and after investigation a verdict of murder and suicide was rendered.

#### Reconstruct Killing

In the investigation it was believed that Pfirdrescher had slain his neighbor whose body was found near a fence across the lane from the Pfirdrescher barn. A short distance away and in direct line with the body of Hampel the body of Pfirdrescher was found. Hampel had been killed with a shot gun. The charge entered the face under the left eye and tore away a portion of the skull. Death was instantaneous. A pipe broken to bits from the charge of shot and the fragments lay near the head.

#### Pistol Suicide Weapon

A short distance from the body of Pfirdrescher a shot gun was found with one shell having been recently (See SLAIN on page 4)

### BIG MONTH AHEAD FOR MILAM THEATRE GOERS

Except for a few outstanding pictures to reach a peak in entertainment the October program at the Milam Theatre is on a high plane of screen offerings and by far the greatest picture month in the history of the theatre.

Stanley Swift has brought Hollywood to Cameron—that is all there is to Hollywood—the great stars—all your favorites. You will do well to get a program and make your plans. It is not often the chance comes.

#### Garbo Here Sunday

Greta Garbo is on the screen Sunday. What magic that name holds for millions throughout the world. In one of her greatest successes "As You Desire Me." This picture runs on Sunday and Monday. Today and Friday Wheeler and Woolsey make you laugh and they never have more killing than in "Hold Em Jail." In the back ground without much display in advertising and a Saturday date is "Sky Bride," with Richard Arlen, one of the really great pictures of 1932.

#### Features Pile Up

Think of one month in which the program features Eric Linden. Then there is Lionel Barrymore and Edward G. Robinson and at last the picture you have been waiting for all these months "Bird of Paradise" with Dolores Del Rio and Joe McCrea. (See BIG MONTH on page 4)

### ARMY OFFICER FLIES BY PLANE TO MAKE ARREST IN CITY

Flying from San Antonio by plane J. R. Lillard of the Military Police arrested Raymond Griswold here at 6 p. m. Saturday and returned to San Antonio at night.

Griswold was arrested in connection with a hold up at the post but no investigation had been made to determine the facts, it was said. The plane carried a number of officers. It proceeded on its journey leaving Lillard in Cameron. Will Vaughn, deputy sheriff, assisted in making the arrest and Griswold was taken from a bus west of town. He denied all connection with the hold up said to have been made of a poker game engaged in by officers.

### Texas Folks Like Jim and Ma

Here's Jim and Ma Ferguson on their way back to Austin from the Lubbock Convention. Wherever their train stopped crowds greeted them. At Austin they were given a reception with a parade. Mrs. Ferguson is the Democratic nominee for Governor. Texas people voted for both of them and it looks like we are going to have two governors for the price of one.

### Toy Balloon Released At School Is Picked Up West of Rockdale After Rapid Flight

(Contributed)

A toy balloon belonging to Allen Horstmann and filled with hydrogen was released on the Yoe high school campus immediately after school was out on Friday.

"After a stormy voyage that took it safely through many accidents," the balloon christened "Spirit of Cameron," made a forced landing 6 miles west of Rockdale. The balloon was green in color and oblong in shape and was prepared for releasing by the general science class of the Yoe high school.

A note attached asked that Allen Horstmann, a member of the class,

be notified at Cameron in case it was found.

The balloon traveled about 15 miles in one hour and thirty minutes. It was released at 3:15 p. m. Friday and was picked up about 5 p. m. of the same day.

A young nephew of Chas. A. Doss in the Gay Hill community while helping his uncle gather corn in the field, saw the balloon coming down to earth and when it landed picked it up. A letter received by Allen Horstmann from Mr. Doss on September 10 proves the flight of the balloon and these statements.

### COURT INJUNCTION IS RESTRAIN AGAINST PAYING OVER FUNDS

Banking Commissioner James Shaw has been restrained by an order from the District Court at Cameron from paying \$34,000 to the county treasury out of the defunct Cameron State Bank.

An injunction prayed for by depositors and attorneys was granted by Judge John Watson on September 22. In the order granting the injunction the court acceded to all demands and the Banking Commissioner is not only restrained from paying the money to the county but is asked to make depositors who withdrew their money to place it back in the bank.

#### Two Banks Involved

The Buckholts State Bank and the Burlington State Bank are included among the depositors who are asked to replace the money. The petition sets out and alleges that these banks were told of the condition of the Cameron State Bank and that they were warned to take out their funds. It also alleges that others were permitted to take out money and were in possession of facts concerning the condition of the bank. Among the depositors named is the Farmers Protective Association, an insurance company.

#### Thirteen Depositors Petition

The petition is sponsored by 13 depositors whose aggregate in money (See INJUNCTION on page 4)

### OPEN AIR SALON TO SHOW FORD CARS IN NEW V-8 MODELS

An open air salon showing for the first time all fourteen of the new Ford body types will open in Cameron next Tuesday at the city park featuring the Ford V-8.

The salon is sponsored by the Hefley-Stedman Motor Company in co-operation with the Houston branch of the Ford Motor Company.

The show opens on Tuesday and will close on Saturday, October 15. The public is cordially invited.

#### Gasoline Tests

A feature of the show will be gasoline tests to be made by the Ford Eight. Arrangements have been made for you to drive these new Fords. "We want everyone to ride in these new cars," said Mr. Stedman, "and (See SALON on page 4)

### J. E. Holtzclaw Back At Office; Has Been Ill Several Weeks

J. E. Holtzclaw, veteran peace officer and Constable for Precinct No. 1 is able to be at his office following several weeks of illness.

Mr. Holtzclaw suffered a light stroke of paralysis but seems to have recovered, although weak from his long illness. He has many friends who will be glad to know he has returned to his office.

### Judge Rules No Jurisdiction; Throws Out Case; Appeal Taken Ballot Is Received In Milam

Ma Ferguson won a victory in District Judge W. F. Roberson's Court at Austin Wednesday when he held on a special plea from Ferguson attorneys that he was without jurisdiction to try the case.

### LEGIONAIRES PREPARE FOR ARMISTICE DAY CELEBRATION HERE

Edwin Hardy Post No. 9, American Legion met at the Legion Club rooms at its regular meeting, Tuesday night.

Ed Hess, a most loyal member of Edwin Hardy Post since the organization of the Post was in charge of the entertainment for the evening. All the members were out expecting a good program and we were not disappointed. Ed was assisted in the musical program by Verner McAtee, Irene Vogelsang, Ruby Nolan, May Nolan, Monroe Vogelsang, Harold Kleypas, Reinald Boeselt, Joe Boeselt, Jim Busker, Jim Martin and Clarence Davis.

#### Program Enjoyed

Edwin Hardy Post members enjoyed this program very much and hope that Ed Hess' time for a program will soon come again and that he will bring these fine entertainers back to us. Mrs. John McAtee and Mrs. T. Vogelsang were guests of the Post, we appreciate their coming and hope to see them back again soon.

### CAMEORN LIONS GIVE PROGRAM AT TEMPLE

Ten members of the Cameron Lions Club presented the program at the meeting of the local club at the Doering hotel Wednesday.

W. A. Spencer and G. O. Wendt of the local club had charge of the program.

Rev. O. C. Acree, president of the Lions Club of Cameron, acted as toastmaster and delivered an address on "Lionism and What It Means."

#### Acree Speaks

In his address Rev. Acree discussed the use of animals as symbols for schools, colleges and clubs.

"The lion is physically strong and is symbolic of power. All through the ages the lion has been known as the king of beasts, and in the Bible there are 130 references to the lion in simile form."

Referring to the lion as a guard, Rev. Acree said "I like to think of Lions clubs as guards and protectors of all that is sacred and high in ideals, as the king of the jungle because they are supreme in service."

#### Program Pleases

Following Rev. Acree's address a short comic skit was presented in which the governor's race and election (See LIONS on page 4)

### J. C. TUCKER IS CALLED FOR TRIAL ON MONDAY IN BANK CASE HERE

J. C. Tucker will face trial in District Court here Monday, October 10 in connection with indictments returned against him by the grand jury following the failure of the Cameron State Bank on December 17, 1931.

Four cases have been set for trial. Attorneys for Tucker are W. A. Morrison Sr., Roy Baskin and W. A. Morrison Jr., of Cameron and Richard Holt, former criminal district attorney for McLennan county.

The state will be represented by Jack Lewis, criminal district attorney for Milam county now rapidly closing his term in office. He was not a candidate in the primaries.

The case has attracted wide attention revolving around a bank failure, the first to have occurred in Cameron in history.

The case was thrown out and the injunction to restrain the Secretary of State from placing Ma's name on the ticket was dissolved.

Sterling made a motion for rehearing and that was over-ruled. He began preparing an appeal to the court of civil appeals. So far Mrs. Jane Y. McCallum has refused to send Mrs. Ferguson's name to county clerks.

The ballot was received here this week and the place for governor is left blank.

The Supreme Court has before it a mandamus to compel the Secretary of State to place Mrs. Ferguson's name on the ballot. A decision was expected Tuesday but all hope seems lost in that direction for the time being.

A fight still looms and some time will be consumed unnecessarily in the courts. The problem of printing the November ballot, the longest in recent years, is causing county officials and printers some worry.

### C. E. AKERS TAKES UP DUTIES AS PRESIDENT OF COMMERCIAL CLUB

C. E. Akers took the office of President of the Commercial Club on Monday night, having been elected at a meeting of the club on the previous Monday night.

Mr. Akers did not announce his appointments but will have them ready for the meeting on next Monday night. He has under advisement the appointment of chairman for the important committee of the club and is attempting to organize the club on the most efficient basis possible. He plans an active service as President and asks the cooperation of the directors and entire membership.

#### W. M. Cobb Elected

W. M. Cobb was re-elected secretary, a place he has held for a number of years. In his annual report he submitted the achievements of the club for the past year and told of the work and things accomplished for Cameron.

### FARM TOUR REVEALS MODERN METHODS IN MILAM COUNTY

By W. M. COBB

An interesting tour of soil saving projects covering half the county was made on Thursday by experts from Houston and A. & M. College Extension Service, accompanied by George Banzhaf, County Agent, A. C. Strickland, vocational teacher at Yoe high school and his class of 40 pupils, Judge W. G. Gillis, W. M. Cobb, secretary of Commercial Club and a few interested farmers.

#### Fifty Acre Orchard

The tour began at Rockdale at 10 a. m., the first stop being made at Fifer Caudle's farm. Here a young orchard of 50 acres, well terraced, was found. This farm when purchased two years ago by Mr. Caudle, was just a rough tract of hills and hollows, which had been abandoned as a farm. The underbrush was removed and the land was broken up with tractors and terraced and now presents a most promising appearance. Besides his peach orchard Mr. Caudle has ten acres in blackberries.

## Secretary Cobb Makes Annual Report of Club Work for City

The first activity for the new term was the sponsoring of the Canned and Cured Meat Show held on April 10 and 11, given by the County Agent and Home Demonstration Agent. This was the most successful Meat Show ever held in Milam County with a wonderful display of cured and canned meats of many varieties. The show was visited by large crowds of farmers and their families from all parts of the county. With lectures on meat preservation by experts from A. & M. College Extension Service.

### Crop Loans Made

The next activity engaged in by the club was sponsoring the Reconstruction Finance Corporation's Farmers Seed Loans. The club raised \$175 to pay expenses of county committee, furnished office space for their meetings, hired a stenographer and gave the time of the Secretary, who handled 220 loans at this office. These loans amounting to nearly \$20,000 enabled 200 farmers to make crops that would have been unable to get loans from banks, thus enabling them to make a living when they would otherwise have been unemployed. These loans are now being repaid, about one-fourth of them having been already paid off although they have until November 30 to make final payment.

### Road Appropriation

The State Highway Commission made an initial appropriation of \$53,000 to improve Highway 44, from Elm

Creek to Burlington, for resurfacing, widening and ditching and replacing culverts, as soon as additional right of way is furnished. The club appointed a committee composed of W. R. Hoover, C. E. Akers, and Secretary Cobb to ask the Commissioner's Court to furnish the required right of way, all members present at the meeting agreeing to attend the meeting. This committee met with the Court April 14, President Avriett acting as spokesman and secured an agreement from Commissioners Butts and Hairston to pay for the right of way on the Minerva cut-off, which had already been contracted for by the club. The payment was to be made out of special funds the Commissioners had on hand. The right of way North of Elm Creek was held up on account of lack of funds in the Road and Bridge Fund.

### Highway Designated

The club also cooperated with a committee from Dallas to get U. S. Highway 77 designated along highway 44 through Milam county. The club sent a committee to Austin for that purpose. This was successful and this great highway has been secured for Milam county and will eventually be improved as a first class highway. The club donated Cameron's part of the expense of this campaign sending \$10 to Chairman Meyer and paying hotel expenses of the committee.

At May 23rd meeting Mr. Wilson of East Texas Chamber of Commerce

offered Milam county a five point malaria control program, which was accepted and a screening program was put on, 3 homes being properly screened for demonstration purposes. The other four points of the program are now being worked out.

### Aid For Bakeries

The Club also made an effort to encourage the buying of Cameron made bread in Cameron, which was not successful owing to some opposition. As a result of failure to cooperate one of Cameron's bakeries closed its doors today.

During July the Club succeeded in getting right of way for the new bridge beyond Maysfield on Highway 69 which bridge is now under construction.

### Sought Right Of Way

The club recently made an effort to get the necessary appropriation of \$5000 for the right of way from Elm Creek to Burlington on highways 44 and U. S. 77 put in the 1933 county budget. This it was unable to do on account of lack of funds. The

# GLASSES -

## OR GOOD LIGHTING

Children's eyes are delicate. They need special consideration. Scientists tell us children's eyes are more susceptible to eyestrain than grown-ups. So give your children's eyes a chance. A little thought on your part about home lighting may save them from wearing glasses later on.

Here are a few general rules to follow: Have light in adequate quantity and correctly diffused. All lights should be shaded so you are unable to see the light bulb. Some general illumination is most desirable in addition to portable lamps. When portable lamps are used for reading or study they should be so placed that there is adequate illumination on the work with the light coming over the shoulder.

If our electric bills were itemized, we would then see that lighting is really only a small part. So accustomed have we become to the other electric services that we sometimes forget how many times a day electricity serves us. It makes our toast in the morning. It sweeps the rugs. It washes the clothes. Then it irons them. Considering the time and labor it saves, what other money do we spend which brings greater returns in comfort and convenience?

## OUR TOWN

(continued from page one)  
ent influence in all the history of Texas politics.

The Houston Press with that intrepid editor, Marcellus E. Foster began on Tuesday a series of installments of Jim's life story. He worked in mines and waited on tables in the west and it will tell how he began farming in Bell county and became a banker. His early struggles to become a lawyer and how he decided to spend \$30,000 to become Governor of Texas. How a meeting in a Houston blacksmith shop decided his political future. Dick Vaughan with the Scripps-Howard string of papers writes this story for us. Writes it as told by Jim himself. The Houston Press was the only newspaper in Texas to fight with the people for Jim and Ma. You can get it three months for \$1 and you should take it.

Jim's life is a colorful era in Texas history. He became governor and for the first time the story tells how he won and how he whipped Joe Bailey in the El Paso convention. How and why he was impeached, an illuminating story of a crime committed against him. Then follows the dark days, how he fought and his political experiences after his impeachment. How he ran for Senator and for President on the American Party ticket and was defeated. How he returned to power when Ma was elected governor in 1924; how he was beaten in 1926 and how he came back in 1932. His visits and talks with Woodrow Wilson are in the story; his visit with Carranza, the Mexican President.

Vaughan's story catches a true picture of Jim Ferguson and as far as possible paints a picture of the leader, his homely and expressive, understandable, pungent language. Jim Ferguson is the last of three great personalities in Texas politics who have for 60 years been a ruling force in Texas. These three were Jim Hogg, Joe Bailey and Jim himself. How Jim's story is to be told—his political reminiscences—and they are the history of Texas politics since 1914. Whether you like Jim or hate him you got to admit that his is the dominant personality in Texas political history.

## Wins His Plea

Dr. John R. Brinkley, candidate for governor of Kansas, goat gland specialist, and ramrod of XER—"the sunshine station between the nations," Villa Acuna, Mexico, has won his plea of privilege for the right to be tried in Del Rio. The State of Texas seeks to revoke his license to practice medicine.

## Legionaires

(continued from page one)

In big style, lots of barbecue, good coffee, pickles and slum; we have found that a good feed will bring the gang out, and some of the members come from adjoining counties.

L. F. Gohmert reported that the Legion Garden was looking good and we would soon have vegetables to help out the United Charities in their work this winter.

### Food To Charities

The Post voted to turn over to the United Charities about 500 cans of food that we have on hand.

Edwin Hardy Post will sponsor a play during the week of November 11, this play is being presented by the Methodist church of Minerva.

Final plans for the annual November 11th dinner were worked out. Mrs. B. P. Matocha is chairman of the dinner committee. Jim Baskin was appointed general chairman. Hon. Alvin Owsley, Past National Commander of the American Legion will be the speaker for this annual celebration.

### Perkins Is Chairman

L. Van Perkins, was appointed chairman of the program for November 1st meeting. This program will be an entertainment for the Spanish American War Veterans and all these veterans of Milam county are urged to be present. Major E. H. Roach, of Taylor, active Legionnaire and Spanish American War Veteran will be the principal speaker on this program. Grady Little was carried over on the eats committee and that means more eats.

### Membership Drive

The Post was divided up into two divisions again and the annual membership drive is on. L. Van Perkins is Admiral of the Navy and Joe Richter is Commander in Chief of the Army. The losers will have to pay for the big feed at the February meeting.

### METHODIST CHURCH

Next Sunday morning the assistant pastor, Rev. W. W. Connerly will preach and in the evening service the presiding elder Rev. E. L. Ingram of Marlin will preach.

The fourth quarterly conference will be held in the church immediately following the evening service. As this is, perhaps, the most important meeting of the conference year all members are urged to be present.

Rally Day will be observed in the Sunday school next Sunday also. A special effort is being made to have every teacher and officer and every member of the Sunday school present and good programs are being prepared for the various departments by their superintendents. Visitors are cordially invited and any who may be interested in becoming members of the Sunday school will be most gladly received.

Epworth Leagues will meet at 6:45 and all children and young people will find a place for work and training in one of the three departments.

## NEGRO GIRLS CHARGED IN ED MORTON KILLING ADJUDGED JUVENILES

Pearlie and Corinne Hyder, negro girls, charged with the killing of Ed Morton, negro, in an abandoned house in Cameron's west side, in August, have been adjudged juveniles and declared delinquent children. Sentence was withheld and they were paroled to their uncle in Williamson county.

Morton was killed with a knife after he had attacked the girls in the house. The girls testified Morton's attentions had led them to the killing. In a statement to District Attorney Jack Lewis the girls detailed a sordid story of immorality with Morton and they told how the killing occurred and reasons for doing so.

Mrs. J. C. Mayfield who has been ill for several months is slowly recovering.

on deposit in the Cameron State Bank when it failed on December 17 was \$33,759.20, the largest depositor having \$23,614. Their names are attached to the petition in an exhibit. Four attorneys sign the petition for the depositors. They are S. G. Krueger of Bellville, J. K. Freeman, B. P. Matocha and M. G. Cox of Cameron. They ask that the county share with depositors on the \$34,000 which was not covered by bond from the bank.

### Commissioners Court Scored

The petition charges that the Commissioners Court composed of the county judge and four commissioners was negligent of duty and failed and refused to act in the emergency to protect the funds of the county and by reason of such failure, as alleged, the funds on deposit in excess of the bond should not be paid out but should share hazards with other depositors. The petition says that if a dividend of 40c or 50c were paid on the deposits the county would receive \$128,500.00 whereas it only had \$108,500 on deposit. The point at issue is that the depositors contend the county should not be paid a dividend on the entire amount which, it is said

the banking commissioner has agreed to do in writing and same was made of record in the minutes of the court. The commissioner has not paid over the money.

## Homer Peel Is Drafted By New York Giants

Homer Peel has been drafted by the New York Giants from the Texas League and will report to the National League club for spring training. Homer has been with the Houston Club in the Texas League for several years, has played with the Boston club of the National League, with St. Louis Cardinals and in the Eastern League. He got his early baseball experience in Cameron under William Rogers, veteran trainer and authority on baseball. Peel was one of the high men in Texas batting this year and missed leading the league by a small margin, a record he has maintained through several seasons.

## Take a Pinch of BLACK-DRAUGHT For Distress After Meals

He had suffered distress after meals, but by taking Theodor's Black-Draught he was relieved of this trouble, writes Mr. Jess Higgins, of Dawsonville, Ga.  
"I had sour stomach and gas," Mr. Higgins explains, "and often I would have bilious spells. I read about Theodor's Black-Draught and began to take it. It relieved me of this trouble. I keep it all the time now. I consider it a fine medicine. I take a pinch of Black-Draught after meals when I need it. It helps to prevent sick headache and to keep the system in good order."  
Now you can get Black-Draught in the form of a SYRUP, for children.

CARDUI Helped Her

WOMEN! Get rid of the handi-  
caps of a weak, debilitated con-  
dition with the assistance of Cardui.

Mrs. R. L. West, of Huntsville,  
Ala., writes: "I was weak and  
run-down. I had a pain in my side,  
and I kept losing weight. I grew  
nervous over my condition—this  
was unusual for me, for I am very  
cheerful when I am well and don't  
easily get nervous. I knew I  
ought to take something. My aunt  
told me I ought to try Cardui,  
which I did. I began to feel bet-  
ter. I kept it up until I had taken  
three or four bottles. My side  
quit hurting and I was soon feel-  
ing strong and well."

Cardui is sold at drug stores here.

Dr. and Mrs. G. B. Taylor had as  
Sunday guests Dr. Dan Russell of A.  
& M. College and Ned Ike Loney of  
Ben Arnold.

left Saturday morning for his home  
in Waxahachie and Mr. Carroll who  
has been conducting the singing, left  
Sunday night for his home in Fort  
Worth.

Mr. and Mrs. W. I. Clark visited  
relatives in Rockdale and were ac-  
companied home by their daughter,  
Mrs. Mary Kerr who had spent two  
weeks in Rockdale with relatives.

Miss Melisa B. O'Neal, who has  
been attending school at San Marcos  
is home for a few days and will also  
visit in Rosebud with her brother, Dr.  
O'Neal, before taking up school teach-  
ing.

Miss Maggeliu Aycock of Dallas is  
here for a few days visit with Mrs.  
Leland Green.

Mrs. H. Holzhouer of Dallas, ar-  
rived Monday to make a visit with  
Mrs. Lottie Bigbee.

The Curry school opened Monday  
with opening exercises, conducted by  
the teachers, Misses Nora Duncum  
and Lois Randolph, assisted by the  
trustees, Frank Burney, Mr. Perubsky  
and Mr. Hughes. There was an un-  
usually large attendance.

Dr. King Vivion, president of  
Southwestern University, was a guest  
in the home of Rev. and Mrs. C. A.  
Lehmberg Friday night. Dr. Vivion  
appeared on the program several  
times here during the Milam County  
Institute held at Yoe high school au-  
ditorium Friday and Saturday.

Mr. and Mrs. George Waller have  
returned from a visit to Dallas.

Miss Mary Randolph who is teach-  
ing school in Hearne this fall, spent  
the week end here with her mother,  
Mrs. Tom Randolph. She was accom-  
panied by Miss Loraine Bruce who  
also teaches in the Hearne school.

Mrs. Syd Stidham of Houston has  
been a patient in a hospital there for  
several days but is reported to be do-  
ing nicely. Mrs. Stidham has many  
friends in Cameron who are interested  
in her.

Post greetings from Miss Reba  
Young who left last week for Free-  
port to take up her work as teacher,  
tell of being delighted with her work.

John Pace, former Cameron citi-  
zen, now of Haskell, was a guest in  
the home of Mrs. McIver and Mrs.  
Dallie Young Monday and Tuesday.  
He was accompanied by his daughter  
Mrs. Jordan Owensby of Dallas.

this summer but is now recovering  
nicely.

Rev. Father O. A. Baur of West-  
phalia, pastor of the parish there  
was a visitor in Cameron last Sat-  
urday.

The Herald editor acknowledges  
with grateful appreciation a friendly  
call from J. M. May from Gause and  
W. T. Rogers of Cameron. They vis-  
ited the office in the absence of the  
editor and left their compliments and  
approval of the policy of the paper  
in defending the voters of Milam  
county against charges of fraud.

Dr. and Mrs. Leslie Sadler and  
daughter, Sallie, of Waco, were week  
end guests of Judge and Mrs. Graham  
Gillis.

bad washout, transforming it into a  
level field.

This dam about 15 feet high with  
a 9 foot high concrete spillway had  
filled the washout up to within a foot  
of the top of the spillway, which will  
be raised several more feet to make  
the field level. A crop will be plant-  
ed next spring on what was a ravine  
extending through the middle of this  
fine black land farm.

## Trench Silo Seen

The next project visited was Geo.  
T. Graves' trench silo, the first one  
in the county. This was found to be  
a model of its kind, 120 feet long, 9  
feet wide and 9 feet deep, to hold 115  
tons of silage. It was cut out of a  
slope towards a creek, was protected  
by a dike and will be easy to fill  
and easy to empty, giving better ser-  
vice than an expensive wood or con-  
crete silo, which would have cost \$250  
or \$300. This silo cost \$15 for ex-  
tra help, according to Mr. Graves.

## Terraced Farm Seen

Many well terraced farms were  
passed on the road, which were con-  
structed under direction of Mr. Banz-  
haf. The tour ended in Cameron at  
1 p. m., when luncheon was served at  
the Milam hotel.

One of the striking statements made  
by Mr. Short in an after dinner speech  
was that no borrower from the Fed-  
eral Farm Loan Bank had ever been  
dispossessed or gotten into serious fi-  
nancial difficulties, who had terraced  
his land and his family had co-oper-  
ated with the Home Demonstration  
Agent.

Many Attend  
Among those making the trip were  
Sam Law, Roy Law, R. L. Batte, Ben  
Atkinson, Jeff T. Kemp of Cameron;  
Scott Baldrige, Fifer Caudle, Pres-  
ton Perry, Roger Gilliland, J. W. Sea-  
ton and Mr. Regenbrecht of Rock-  
dale; Lesser Newton, Mr. Butts and  
Mr. Baggett of Milano; H. L. Yeager

tioned in this article, totaling about  
sixty people.

Cameron's present fire insurance  
key rate of 31 is below the average  
of 40 for the 35 East Texas cities of  
2500 to 7500. The city has a credit  
of 15 per cent for a good fire record  
as compared with a credit of 2 per  
cent for a good fire record for the  
same group of cities.

Net fire insurance premiums paid  
during 1931 amounted to \$40,458. Be-  
cause of the credit of 15 per cent in  
1931 and the credit of 15 per cent in  
1931 the policy holders of Cameron  
saved \$7,140 on their premium pay-  
ments.

## Data Is Gathered

This data has been developed by  
the East Texas Chamber of Com-  
merce in its study of fire insurance  
costs for the 156 protected cities of  
East Texas. The regional chamber  
is focusing attention on the dollars  
and cents savings of property own-  
ers in cheaper fire insurance pre-  
miums through fire prevention. It  
is an effective way of calling atten-  
tion to National Fire Prevention Week  
to be held this year October 9-15.

## Prevention Necessary

Preventing fires means good fire  
records. If a city maintains a three-  
year average fire loss ratio of 35

per cent or less the city receives the  
maximum 15 per cent credit for a  
good fire record. This means the  
policy holder gets a dollar's worth of  
insurance for 85 cents. Credits of  
12, nine, six and three per cent are  
allowed accordingly as the loss ratio  
goes up to 55 per cent. When the  
three year average fire loss ratio  
climbs to 85 per cent or more the max-  
imum 15 per cent penalty is charged  
the city. This means that the dol-  
lar's worth of fire insurance costs  
\$1.15.

## MORE LIONISM AMONG LIONS IS CLUB MOTTO

The doctrine promulgated by International Lions Clubs president, Julian C. Heyer, "More Lionism among the Lions rather than more Lions in Lionism," and which principle is strongly advocated by president O. C. Acree of the Cameron Lions Club, is to be the motto of the club for the coming year.

### Assist Unemployed

Already members see evidence of the enlarged program that is being mapped out by President Acree and the club directors. It is announced this week that the club will take over and assume the work of the distribution of labor in the employment division of the United Workers. The office will be at the Presbyterian church under the personal supervision of Lion Acree.

### Program At Temple

This week Cameron Lions Club is putting on a special program for the Lions Club at Temple, a report of which will appear in the next issue of this paper.

### Assist Students

The Lions Club announces that the Lions Club student loan fund started by the club last spring has already been able to render financial assistance to two student graduates of Yoe high school, who through this aid are now attending college. Miss Angie Ernest of the class of 1932 has been assisted by this fund and she is now attending Baylor University where she is specializing in journalism. Also Mr. Robert Irby Wise of the same class has been rendered aid by this fund and is now at the University of Texas. The committee in charge of the Lions Club Student Loan Fund has we feel sure, made wise selection in these two young people, both of whom graduated with very high student rank, and it is expected that they will be able to hold their own among the State's best at these two universities.

## Former Resident Is Buried At Liberty

Friends in Cameron will be grieved to hear of the death of Mrs. J. T. Bullock, formerly of Cameron, who died Sunday, October 2 at a hospital in San Angelo, following an operation for appendicitis. The funeral was held Tuesday morning at Liberty near Milano. The remains were laid to rest in the Liberty cemetery.

Mr. and Mrs. Bullock made Cameron their home for about three years prior to moving to west Texas and while here made many friends. Mrs. Bullock was a young woman, is survived by her husband and a number of relatives.

George Tiffany Moore Jr., left last week for Austin where he entered State University for the fall term of school.

## COUNTY HEALTH COUNCIL HEARS DISCUSSION ON CONTROL OF MALARIA

The county wide meet of the County Health Council held Tuesday afternoon at the Country Club, with their president, Mrs. J. P. Love presiding, was a very enthusiastic meeting.

Miss Edna Southard, Sanitary Instructor of State Health Department, was principal speaker of the occasion and gave an instructive talk along the lines of sanitation and preventatives of the malaria mosquito. Dr. W. R. Newton, County health physician was present and spoke on the subject of prevention of malaria, the disease known as malaria or "chills and fever." These parasites live at the expense of the red blood cells. The parasites are transmitted from a person suffering from malaria to a well person. The malaria carrying mosquito is harmless until she has fed on a person suffering with the disease. The number of malaria parasites injected into the blood by the mosquito is usually small, but they rapidly increase until millions may exist in the blood.

### Weakens Condition

When the number of malaria parasites in the blood is small an infected person may remain apparently well. As the number increases he begins to suffer with fever. When as many as 150,000,000 parasites divide at one time, sufficient poison is released to cause the rigor or chill, characteristic of malaria. Malaria death rate is not high, only one in every 200 cases die. But the disease lowers a person's resistance and they are susceptible to other diseases.

### Three Kinds of Malaria

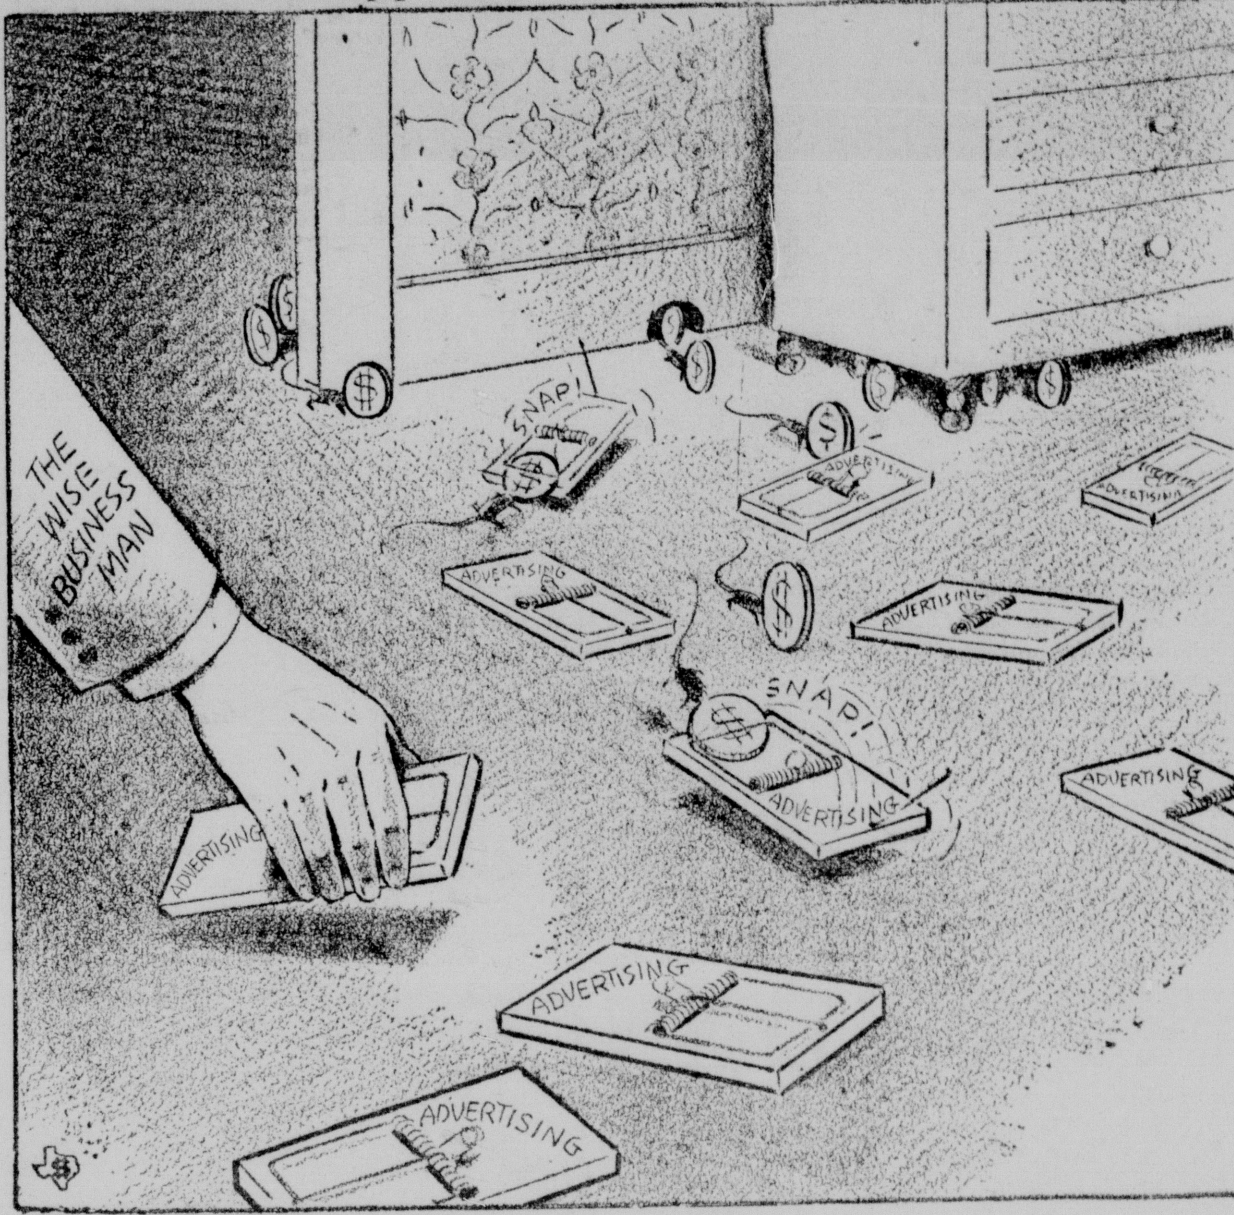

There are three different kinds of malaria (1) Quartan with which the victim chills every three days; (2) tertian, with which the person chills every other day and (3) estivo autumnal, characterized by a chill every day. Treatment continued over a period of weeks under a doctor's care and direction will cure the disease.

A locality is malarious only when it contains persons infected with the parasite and also sufficient numbers of the proper species of mosquitoes to carry the infection to the healthy person. A malaria mosquito does not fly far or high.

### Cost Per Case

Each case of malaria in a county represents an annual cost of \$25.00 for medicines, doctor's bills and lost time, besides suffering. These mosquitoes breed only in water. Drain-

## Trapping Season Now Open

age, filling or oiling standing water at ten day intervals will control mosquito breeding. The ornamental fish pond provides an ideal breeding place for the malaria mosquito. Top water minnows are natural enemies of mosquito larvae. A half dozen placed in the fish pond will keep down the mosquito breeding.

### Breeding Places

Any container holding water for as long as ten days in temperate weather will breed mosquitoes. Mosquitoes will breed in discarded tin cans. Housewives should see that tin cans are punctured at both ends, mashed flat or better still, buried. The malaria mosquito may be distinguished from other mosquitoes by their spotted wings and their resting position. The malarie parasites often produce anemia and enlargement of the spleen, especially with patients who have suffered many relapses.

### Social Hour

At the close of the instructions there was a social hour when all the heads of the study and service clubs served cheese wafers and hot tea. The young ladies assisting in the social hour were Misses Bonnell, Neinst, Gladys Davis, Lois and Ruby Robbins, Henriem Hefley and Arnette Ryan.

Those in charge of the affair are grateful to Clark Kelly for the many beautiful roses given and to Matocha Hardware Store for the use of their attractive new china.

### PROMOTION DAY

Last Sunday was Promotion Day at the First Methodist Sunday School and next Sunday will be Rally Day. Everyone is asked to be present and bring some one with them. Quite a great deal of interest was manifested by the students in the promotion and progress was seen along all departments. The summer has passed and as cooler days come, a larger attendance is expected.

## Boy Scout News

Troop 52, J. A. Lindle, Scoutmaster. Troop 52 held their regular meeting Friday night, September 30 in K. of C. Hall, with an attendance of 17 registered Scouts, the Scoutmaster, assistant Scoutmaster, two troop committeemen and three visiting

boys and one visiting parent. Troop 52 is still active and has maintained 95 per cent Scout attendance, 100 per cent leadership and 90 per cent troop committee attendance for the month of September, which is a good record for any troop. Actual work was be-

gun on the outstanding troop project which will be made public at a later date and individual projects were planned for the winter months and soon 52 will be booming with activity.

Former Star Scout Louis Matula has again joined our ranks as assistant Scoutmaster. Louis is one of the charter members of 52, an all around Scout and gives promise of splendid leadership ability. This troop now has a full junior leadership staff which is quite a credit to the troop and consequently has a splendid outlook for achievement in the future. Saturday night Scouts Hensley, Stanislaw, Houston and Willie Moraw, staged a patrol overnight camp on Little River. They report a good time and a good night's sleep in the cool October air.

Troop 53, J. W. Haygood, Scoutmaster. We went on a hike Friday night with 21 present, leaving the Presbyterian church at 6:15 p. m. Gamble's pasture was our first stop where we ate supper, those who had not eaten on the way. After supper we played games until 9 o'clock. All seemed to have a good time.

Troop 32, B. L. Archer, Scoutmaster

The boys of Troop 32 met in the Scout hall Friday night for the regular weekly meeting. Roderick Long, patrol leader for the Cat patrol had charge of the meeting. We are expecting to have a Court of Honor this Friday evening, October 7, as a number of Scouts are anxiously awaiting the awarding of an advancement and the reception of earned merit badges. After a very enjoyable evening, we were dismissed with the Indian benediction.

### MISSIONARY SOCIETY

Monday afternoon was study day for the ladies of the Missionary Society at the First Methodist church. Mrs. W. O. Triggs reviewed the book "Good Earth," a story of the Chinese family. Mrs. R. L. Batte gave a preliminary of the new book to be studied the coming quarter.

YOU are cordially invited to attend a salon of the New Ford V-8. For the first time all fourteen of the new Ford body types will be on display here. You can inspect them conveniently, carefully and at your leisure.

One of the features of the show is that arrangements have been made for you to ride in and drive the cars if you wish. There is, of course, no obligation. We sincerely want every one to ride in this great new car and realize, first-hand the thrill of its amazing performance. Don't miss this splendid opportunity.

A cutaway chassis is also on display. You can examine every working part, see how it functions, learn the care with which it is made and realize the simplicity and sturdiness of Ford construction.

There are talking pictures and special exhibits which show many of the new features.

Attendants will be on hand to give you any information you might wish about the cars, or the details of their construction.

If you phone your Ford dealer he'll gladly pick you up at your home or office and take you to the salon.

## CHILDREN AND FRIENDS HONOR BELOVED CAMERON MOTHER ON 72ND BIRTHDAY

An event looked forward to by the children and grandchildren with increasing eagerness each passing year and with more joyful anticipation is the birthday of Mrs. Ida Avriett. The celebration this year was held at the home of this lovely woman's daughter, Mrs. W. O. Triggs at 6 o'clock Sunday evening. For the dinner the honor guest was seated at the large dining table surrounded by all her children and grandchildren and a few close friends of the family. Roses and Queens wreath were used for table decoration and were placed throughout the reception suite, and a joyous good time was had around the tables.

After the dinner a program which included many old songs and readings was greatly enjoyed, especially so was the number given by Lucille, the talented little daughter of Mr. and Mrs. Chas. McDermott, in which grandmo-

ther was featured in a song the words of which were:

Somebody loves us each hour of the day  
Her prayer will follow us o'er all the way,  
Somebody's cookies and somebody's jams

Taste like they came from our grand-mother's pans.

Somebody's life is so full of good deeds

Plum full of flowers without any weeds,

Somebody loves us and how do we know

Her whole life tells us so.

This happy celebration was attended by Mr. and Mrs. Giles Avriett and children, Giles Jr., Jack and Don Marie; Mr. and Mrs. W. O. Triggs, Mr. and Mrs. Chas. McDermott and daughters, Frances and Lucille; Mr. and Mrs. Wm. R. Rogers and sons, Reed and Kenneth; and Miss Myrtle Avriett. Friends other than members of the immediate family who enjoyed the hospitality of the occasion were Misses Jeff Lewis, Lillian Atkinson, Lucile Dickard, Alice Adele Wilkerson and Louise Lanham.

### MILAM COUNTY W. M. U.

The Milam County W. M. U. met Monday for an all day session. Mrs. Wilson Gunn, president in the chair and Mrs. L. E. Strickland of Rockdale led the devotional.

Rev. N. D. Timmerman gave the welcome address to the ladies; response was given by Mrs. Sharp Young of Thorndale. During the session T. D. Carroll, who had been leading the choir during the past two weeks meeting, favored the session with a voice solo.

During the meeting the standing committees gave their reports which were very satisfactory and interesting.

Cameron ladies served lunch at the annex at the noon hour. In the afternoon session Mrs. Jessie Maxwell of Austin, District President of the W. M. U. and Mrs. Bentley of Austin, corresponding secretary of the District, brought inspirational messages to the ladies. The meeting was dismissed by Mrs. T. S. Henderson.

### BAPTIST W. M. S.

All circles of the Baptist W. M. S. met at the church Monday afternoon for a business session. In the absence of the president, Mrs. Conn Miller presided. Mrs. John Denson led the devotional.

They will meet next Monday as

follows: Eunice Taylor Glass circle will meet with Mrs. S. M. Burns Sr., Mrs. L. L. Blaylock will be hostess to the Lilly Mae Hundley circle, Lottie Moon circle will have Mrs. Harvey Dobbins for hostess. Mrs. C. W. Bradbury will be hostess to the Lois Howard Mashburn group. All circles will meet at 3:30 o'clock. There were 25 members present at the meeting Monday afternoon.

### DELPHIAN CHAPTER

Mrs. Niley Smith was hostess to the Delphian Chapter Tuesday afternoon when a continued program was given on music.

In the absence of the president, Mrs. Lena Baskin, the vice president, Mrs. Frank Lesovsky, presided over the business session. Mrs. LaBertice Robinson had charge of the program.

Subject: Christian Music from the Fourth to the Eleventh Centuries. Those to assist on the program were Mesdames E. A. Flinn, T. A. Fisher, Joe Denson and Frank Lesovsky.

Mrs. Edna Warfield of Waco was a guest of the club.

### BUSINESS WOMEN

Mrs. Katherine Robbins was chairman of the membership meeting held by the Business and Professional Women's Club Tuesday evening at the local water company office. A short business session was held by the president, Mrs. Lottie Bigbee.

Roll call was answered by giving the reason "Why I Like the B. & P. W. Club," which proved very interesting. This was followed with two piano numbers given by Miss Lucille Dickard. Miss Iva Wilson read a paper on "The Vocations of the Club Members," which was very interesting.

At the close of the business session Miss Lillian Atkinson, as hostess for the club, served delicious sherbert and cake. Miss Lucille Dickard was a guest of the occasion.

### CLOVER LEAF BRIDGE

A decorative theme of pink, yellow and green featuring fall roses and lacy ferns were used at the party given by Mrs. Earl Burke when she entertained the Wednesday Clover Leaf Contract Bridge Club at her home this week.

Club members enjoyed a lively tilt in games when Miss Dulce McCall was winner of highest score and received French stationery as her trophy.

Mrs. Charlie Nabours assisted the hostess in serving light refreshments at the conclusion of the games. The club meets every other Wednesday in the month. Mrs. Max Fox will be hostess at the next meeting.

### CONTRACT BRIDGE

Naming one of their members, Mrs. John Cecil Culpepper, who is the bride of the club, as honor guest, the Tuesday Contract Bridge Club met for their first event of the season with Mrs. A. E. Kruse this week.

Mrs. Culpepper, who was Miss Mary Lake Henderson before her marriage this summer, was presented with a lovely guest book by the president of the club, Mrs. Albert Triggs, in a pretty toast. Mrs. Culpepper responded with beautifully worded thanks.

The hostess served a delectable salad course with hot tea at the close of the games. Pretty merrigolds lent floral beauty to the rooms given over to the players. Guests other than club members present were Mrs. J. C. Martin and Miss Jane Bowers of Austin, a sister of the hostess.

The club will meet every first and third Tuesday afternoon of the month. Miss LaVerne Bowmer will be hostess at their next meeting.

### PASTOR AND WIFE ENTERTAIN

Mr. and Mrs. Niley Smith and son Niley Jr., of Cameron, attended the entertainment given Rev. George McClellan and bride, pastor of the Baptist church at Branchville, Saturday evening when the church entertained with a barbecue on the lawn of the church. Following the feast, all were invited into the church where a pretty Tom Thumb Wedding was presented under the direction of Miss Dora Emily Moore of Cameron.

The house was appropriately decorated for the occasion with pink roses and ferns.

Miss Mary Ruth Porter presided at the piano and gave the wedding music and little Sarah Beth Looney and Annice Harlan sang "I Love You Truly" in a very charming manner.

The ushers led the bridesmaids, little Louise Henson and Louise Wilkinson, who were attired in lovely colonial costumes wearing large picture hats and carrying arm bouquets of pink roses and fern fronds, entered and took their places at either side of the altar, followed with the dainty little flower girls, Mary Lou Walston and Fay Henson, dressed in dainty fairy costumes, dropped rose petals from pretty baskets and took their places at the altar. The bride and bridegroom, Jessie Mae Gould, daughter of Mr. and Mrs. Tom Gould

## Boys on Parade

As in the case of the college student, it takes but little to start the New York street urchin off on a parade. He finds a long pole, or even a discarded and dilapidated broom, which will do for a flagpole. He and his companions seize on a pile of celery stalks thrown out by a grocer; these are carried as swords or muskets, and the line of youngsters perhaps half a dozen in all, march proudly up the street to the badly sung tune of "The Mairie Stein Song."

## PENNIES WILL SAVE IT

from destructive ROT and DECAY!

DON'T let rot and decay add hundreds of dollars to your upkeep expense in repairs and new millwork. At least protect the badly worn places—the sills, thresholds, outdoor stairs, pillars, etc. A gallon or so of Lowe Brothers H. S. Paint will do it. A few pennies for each badly weathered spot NOW may save as many dollars next spring. Act promptly before winter does costly damage.

## TWO FARMERS DEAD; MURDER AND SUICIDE VERDICT MRS. FERGUSON VICTOR IN AUSTIN COURT NOMINATION TRIAL

### Our Town

This is an era of relief and relieving. The Texas Legislature was called to convene during the campaign. We wonder just how sincere was the feeling of sympathy for tax burdened people. It looked like a good political move and then besides the bond holders are pretty powerful folks. They thought it best. They didn't care as much about relief as they cared about collecting their money. Bond prices have been sagging mightily low and too there was scant prospect of payment of interest and principal on the bonds. The farmers and business men have been down on the ground with Hoover and they can't pay. The bond holders knew gasoline money would be coming in so why not tap the state revenue.

It was a simple matter of course. All they had to do was to tell Ross to call 'em together. A similar piece of legislation had been vetoed the year before but that didn't make any difference. The big boys wanted to make sure they would get their money and while they were going about it they took an extra amount of pay. After all the people would not know about it until it was too late. To practice a little deception is just good business. So the people got relief and at the same time were relieved.

Many crimes are done in the name of economy and good government. The mass of people don't think. They follow and the blind leads the blind and they both fall into the ditch. It meant \$600,000 to Milam county tax payers. That is they would not have to pay off their bonds—the remaining unpaid part. What had been paid on the roads could not be taken up by the bond holders. No use to do that. Let the property owners lose that. After all they had been using the roads. So they said it means a lot of relief to the tax payers.

While they were assuming payment of the bonds they took away all title to the roads. They are going to pay off the bonds but they have taken the roads, lock, stock and barrel. No member of the Legislature raised a voice. He might have been misunderstood at that, because relief was in sight. Nothing was to be said about being relieved. Section 9 of the bill says that as a condition of discharging the obligation for the bonds, "the title and possession of all roads, roadbeds, bridges and culverts, in such county and defined road districts which are included in the system of designated State highways, shall automatically vest in fee simple in the State of Texas."

No matter. We got relief. We lost our roads but we can build some more. That's what we will have to do some day. The state owns them now. Next thing we know the Federal Government will control them and then the Commerce Commission can lend its effort to secure them for the railroads and transportation lines. It's a mistake in practically every instance to make concessions. You cannot accept aid without giving up something. If the state had merely paid off the bonds without taking title to the roads it would have been real relief. As it worked out the whole matter was an adroit negotiation by brokers to save their clients and grab something for the boys who helped to put it over.

They are going to publish Jim Ferguson's life story. At last his side will be told. It will be an important as well as historic Texas political document. It is going to be a story aneuried by prejudiced press and publicity. It will be refreshing to have the other side—Jim's side—the side to which the most loyal people ever known in history to the standards of any man—still cleave and believe. For 18 years he has been clinging to a cross of hatred, nailed fast by fanatics who took advantage of rabid controversial clusterings. Maybe Jim has not always been even of temper or superior in judgment, but he has kept the faith and fought a good fight. He stands out today as in all the years when lashed by the storm of criticism and hatreds, the strong-

### FARMER TURNS GUN ON SELF AFTER NEIGHBOR IS SLAIN ON FRIDAY

The bodies of two farmers were found shortly after noon on Friday, September 30 south of Pettibone, both having died from gunshot wounds.

The dead: Paul Pfirdrescher, 67 and Joe Hampel, 61.

The body of Hampel was found by members of his family and it was believed he had been killed about 11:30 on his way home to lunch from his cotton field. The body of Pfirdrescher was found by members of his household about 12:30 p. m.

Justice of the Peace J. M. Ralston in company with officers went to the scene and viewed the bodies and after investigation a verdict of murder and suicide was rendered.

#### Reconstruct Killing

In the investigation it was believed that Pfirdrescher had slain his neighbor whose body was found near a fence across the lane from the Pfirdrescher barn. A short distance away and in direct line with the body of Hampel the body of Pfirdrescher was found. Hampel had been killed with a shot gun. The charge entered the face under the left eye and tore away a portion of the skull. Death was instantaneous. A pipe broken to bits from the charge of shot and the fragments lay near the head.

#### Pistol Suicide Weapon

A short distance from the body of Pfirdrescher a shot gun was found with one shell having been recently fired. (See SLAIN on page 4)

### BIG MONTH AHEAD FOR MILAM THEATRE GOERS

Except for a few outstanding pictures to reach a peak in entertainment the October program at the Milam Theatre is on a high plane of screen offerings and by far the greatest picture month in the history of the theatre.

Stanley Swift has brought Hollywood to Cameron—that is all there is to Hollywood—the great stars—all your favorites. You will do well to get a program and make your plans. It is not often the chance comes.

#### Garbo Here Sunday

Greta Garbo is on the screen Sunday. What magic that name holds for millions throughout the world. In one of her greatest successes "As You Desire Me." This picture rules on Sunday and Monday. Today and Friday Wheeler and Woolsey make you laugh and they never have been more killing than in "Hold Em Jail." In the back ground without much display in advertising and a Saturday date is "Sky Bride," with Richard Arlen, one of the really great pictures of 1932.

#### Features Pile Up

Think of one month in which the program features Eric Linden. Then there is Lionel Barrymore and Edward G. Robinson and at last the picture you have been waiting for all these months "Bird of Paradise" with Dolores Del Rio and Joe McCrea. (See BIG MONTH on page 4)

### ARMY OFFICER FLIES BY PLANE TO MAKE ARREST IN CITY

Flying from San Antonio by plane J. R. Lillard of the Military Police arrested Raymond Griswold here at 6 p. m. Saturday and returned to San Antonio at night.

Griswold was arrested in connection with a hold up at the post but no investigation had been made to determine the facts, it was said. The plane carried a number of officers. It proceeded on its journey leaving Lillard in Cameron. Will Vaughn, deputy sheriff, assisted in making the arrest and Griswold was taken from a bus west of town. He denied all connection with the hold up said to have been made of a poker game engaged in by officers.

### Texas Folks Like Jim and Ma

Here's Jim and Ma Ferguson on their way back to Austin from the Lubbock Convention. Wherever their train stopped crowds greeted them. At Austin they were given a reception with a parade. Mrs. Ferguson is the Democratic nominee for Governor. Texas people voted for both of them and it looks like we are going to have two governors for the price of one.

### Toy Balloon Released At School Is Picked Up West of Rockdale After Rapid Flight

(Contributed)

A toy balloon belonging to Allen Horstmann and filled with hydrogen was released on the Yoe high school campus immediately after school was out on Friday.

"After a stormy voyage that took it safely through many accidents," the balloon christened "Spirit of Cameron," made a forced landing 6 miles west of Rockdale. The balloon was green in color and oblong in shape and was prepared for releasing by the general science class of the Yoe high school.

A note attached asked that Allen Horstmann, a member of the class,

be notified at Cameron in case it was found.

The balloon traveled about 15 miles in one hour and thirty minutes. It was released at 3:15 p. m. Friday and was picked up about 5 p. m. of the same day.

A young nephew of Chas. A. Doss in the Gay Hill community while helping his uncle gather corn in the field, saw the balloon coming down to earth and when it landed picked it up. A letter received by Allen Horstmann from Mr. Doss on September 10 proves the flight of the balloon and these statements.

### COURT INJUNCTION IS RESTRAIN AGAINST PAYING OVER FUNDS

Banking Commissioner James Shaw has been restrained by an order from the District Court at Cameron from paying \$34,000 to the county treasury out of the defunct Cameron State Bank.

An injunction prayed for by depositors and attorneys was granted by Judge John Watson on September 22. In the order granting the injunction the court acceded to all demands and the Banking Commissioner is not only restrained from paying the money to the county but is asked to make depositors who withdrew their money to place it back in the bank.

#### Two Banks Involved

The Buckholts State Bank and the Burlington State Bank are included among the depositors who are asked to replace the money. The petition sets out and alleges that these banks were told of the condition of the Cameron State Bank and that they were warned to take out their funds. It also alleges that others were permitted to take out money and were in possession of facts concerning the condition of the bank. Among the depositors named is the Farmers Protective Association, an insurance company.

The petition is sponsored by 13 depositors whose aggregate in money (See INJUNCTION on page 4)

### OPEN AIR SALON TO SHOW FORD CARS IN NEW V-8 MODELS

An open air salon showing for the first time all fourteen of the new Ford body types will open in Cameron next Tuesday at the city park featuring the Ford V-8.

The salon is sponsored by the Hefley-Stedman Motor Company in co-operation with the Houston branch of the Ford Motor Company.

The show opens on Tuesday and will close on Saturday, October 15. The public is cordially invited.

#### Gasoline Tests

A feature of the show will be gasoline tests to be made by the Ford Eight. Arrangements have been made for you to drive these new Fords. "We want everyone to ride in these new cars," said Mr. Stedman, "and (See SALON on page 4)

### LEGIONAIRES PREPARE FOR ARMISTICE DAY CELEBRATION HERE

Edwin Hardy Post No. 9, American Legion met at the Legion Club rooms at its regular meeting, Tuesday night.

Ed Hess, a most loyal member of Edwin Hardy Post since the organization of the Post was in charge of the entertainment for the evening. All the members were out expecting a good program and we were not disappointed. Ed was assisted in the musical program by Verner McAtee, Irene Vogelsang Ruby Nolan, May Nolan, Monroe Vogelsang, Harold Kleypas, Reinald Boeselt, Joe Boeselt, Jim Busker, Jim Martin and Clarence Davis.

#### Program Enjoyed

Edwin Hardy Post members enjoyed this program very much and hope that Ed Hess' time for a program will soon come again and that he will bring these fine entertainers back to us. Mrs. John McAtee and Mrs. T. Vogelsang were guests of the Post, we appreciate their coming and hope to see them back again soon.

### CAMEORN LIONS GIVE PROGRAM AT TEMPLE

Ten members of the Cameron Lions Club presented the program at the meeting of the local club at the Door ing hotel Wednesday.

W. A. Spencer and G. O. Wendt of the local club had charge of the program.

Rev. O. C. Acree, president of the Lions Club of Cameron, acted as toastmaster and delivered an address on "Lionism and What It Means"

#### Acree Speaks

In his address Rev. Acree discussed the use of animals as symbols for schools, colleges and clubs.

"The lion is physically strong and is symbolic of power. All through the ages the lion has been known as the king of beasts, and in the Bible there are 130 references to the lion in simile form."

Referring to the lion as a guard, Rev. Acree said "I like to think of Lions clubs as guards and protectors of all that is sacred and high in ideals, as the king of the jungle because they are supreme in service."

#### Program Pleases

Following Rev. Acree's address a short comic skit was presented in which the governor's race and election (See LIONS on page 4)

### J. C. TUCKER IS CALLED FOR TRIAL ON MONDAY IN BANK CASE HERE

J. C. Tucker will face trial in District Court here Monday, October 10 in connection with indictments returned against him by the grand jury following the failure of the Cameron State Bank on December 17, 1931.

Four cases have been set for trial. Attorneys for Tucker are W. A. Morrison Sr., Roy Baskin and W. A. Morrison Jr., of Cameron and Richard Holt, former criminal district attorney for McLennan county.

The state will be represented by Jack Lewis, criminal district attorney for Milam county now rapidly closing his term in office. He was not a candidate in the primaries.

The case has attracted wide attention revolving around a bank failure, the first to have occurred in Cameron in history.

The case was thrown out and the injunction to restrain the Secretary of State from placing Ma's name on the ticket was dissolved.

Sterling made a motion for rehearing and that was over-ruled. He began preparing an appeal to the court of civil appeals. So far Mrs. Jane Y. McCallum has refused to send Mrs. Ferguson's name to county clerks.

The ballot was received here this week and the place for governor is left blank.

The Supreme Court has before it a mandamus to compel the Secretary of State to place Mrs. Ferguson's name on the ballot. A decision was expected Tuesday but all hope seems lost in that direction for the time being.

A fight still looms and some time will be consumed unnecessarily in the courts. The problem of printing the November ballot, the longest in recent years, is causing county officials and printers some worry.

### C. E. AKERS TAKES UP DUTIES AS PRESIDENT OF COMMERCIAL CLUB

C. E. Akers took the office of President of the Commercial Club on Monday night, having been elected at a meeting of the club on the previous Monday night.

Mr. Akers did not announce his appointments but will have them ready for the meeting on next Monday night. He has under advisement the appointment of chairman for the important committee of the club and is attempting to organize the club on the most efficient basis possible. He plans an active service as President and asks the cooperation of the directors and entire membership.

#### W. M. Cobb Elected

W. M. Cobb was re-elected secretary, a place he has held for a number of years. In his annual report he submitted the achievements of the club for the past year and told of the work and things accomplished for Cameron.

### FARM TOUR REVEALS MODERN METHODS IN MILAM COUNTY

By W. M. COBB

An interesting tour of soil saving projects covering half the county was made on Thursday by experts from Houston and A. & M. College Extension Service, accompanied by George Banzhaf, County Agent, A. C. Strickland, vocational teacher at Yoe high school and his class of 40 pupils, Judge W. G. Gillis, W. M. Cobb, secretary of Commercial Club and a few interested farmers.

#### Fifty Acre Orchard

The tour began at Rockdale at 10 a. m., the first stop being made at Fifer Caudle's farm. Here a young orchard of 50 acres, well terraced, was found. This farm when purchased two years ago by Mr. Caudle, was just a rough tract of hills and hollows, which had been abandoned as a farm. The underbrush was removed and the land was broken up with tractors and terraced and now presents a most promising appearance. Besides his peach orchard Mr. Caudle has ten acres in blackberries.

### Aid For Bakeries

The Club also made an effort to encourage the buying of Cameron made bread in Cameron, which was not successful owing to some opposition. As a result of failure to cooperate one of Cameron's bakeries closed its doors today.

During July the Club succeeded in getting right of way for the new bridge beyond Maysfield on Highway 69 which bridge is now under construction.

### Sought Right Of Way

The club recently made an effort to get the necessary appropriation of \$5000 for the right of way from Elm Creek to Burlington on highways 44 and U. S. 77 put in the 1933 county budget. This it was unable to do on account of lack of funds. The

## Secretary Cobb Makes Annual Report of Club Work for City

The first activity for the new term was the sponsoring of the Canned and Cured Meat Show held on April 10 and 11, given by the County Agent and Home Demonstration Agent. This was the most successful Meat Show ever held in Milam County with a wonderful display of cured and canned meats of many varieties. The show was visited by large crowds of farmers and their families from all parts of the county. With lectures on meat preservation by experts from A. & M. College Extension Service.

### Crop Loans Made

The next activity engaged in by the club was sponsoring the Reconstruction Finance Corporation's Farmers Seed Loans. The club raised \$175 to pay expenses of county committee, furnished office space for their meetings, hired a stenographer and gave the time of the Secretary, who handled 220 loans at this office. These loans amounting to nearly \$20,000 enabled 200 farmers to make crops that would have been unable to get loans from banks, thus enabling them to make a living when they would otherwise have been unemployed. These loans are now being repaid, about one-fourth of them having been already paid off although they have until November 30 to make final payment.

### Road Appropriation

The State Highway Commission made an initial appropriation of \$53,000 to improve Highway 44, from Elm

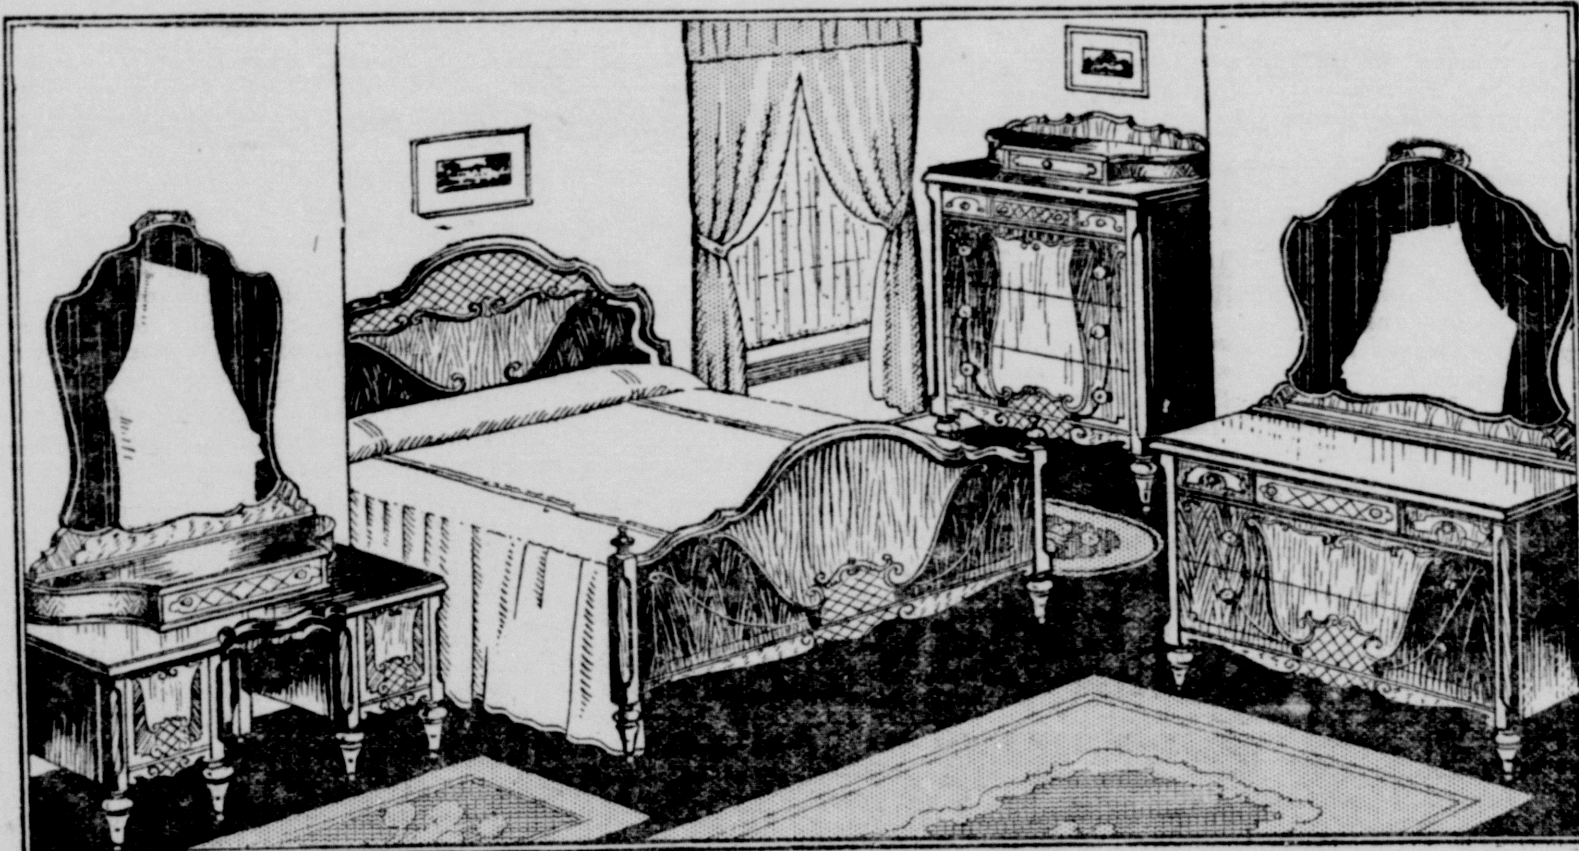

Creek to Burlington, for resurfacing, widening and ditching and replacing culverts, as soon as additional right of way is furnished. The club appointed a committee composed of W. R. Hoover, C. E. Akers, and Secretary Cobb to ask the Commissioner's Court to furnish the required right of way, all members present at the meeting agreeing to attend the meeting. This committee met with the Court April 14, President Avriett acting as spokesman and secured an agreement from Commissioners Butts and Hairston to pay for the right of way on the Minerva cut-off, which had already been contracted for by the club. The payment was to be made out of special funds the Commissioners had on hand. The right of way North of Elm Creek was held up on account of lack of funds in the Road and Bridge Fund.

### Highway Designated

The club also cooperated with a committee from Dallas to get U. S. Highway 77 designated along highway 44 through Milam county. The club sent a committee to Austin for that purpose. This was successful and this great highway has been secured for Milam county and will eventually be improved as a first class highway. The club donated Cameron's part of the expense of this campaign sending \$10 to Chairman Meyer and paying hotel expenses of the committee.

At May 23rd meeting Mr. Wilson of East Texas Chamber of Commerce

CHOOSE

BANK  
for its  
MANAGEMENT

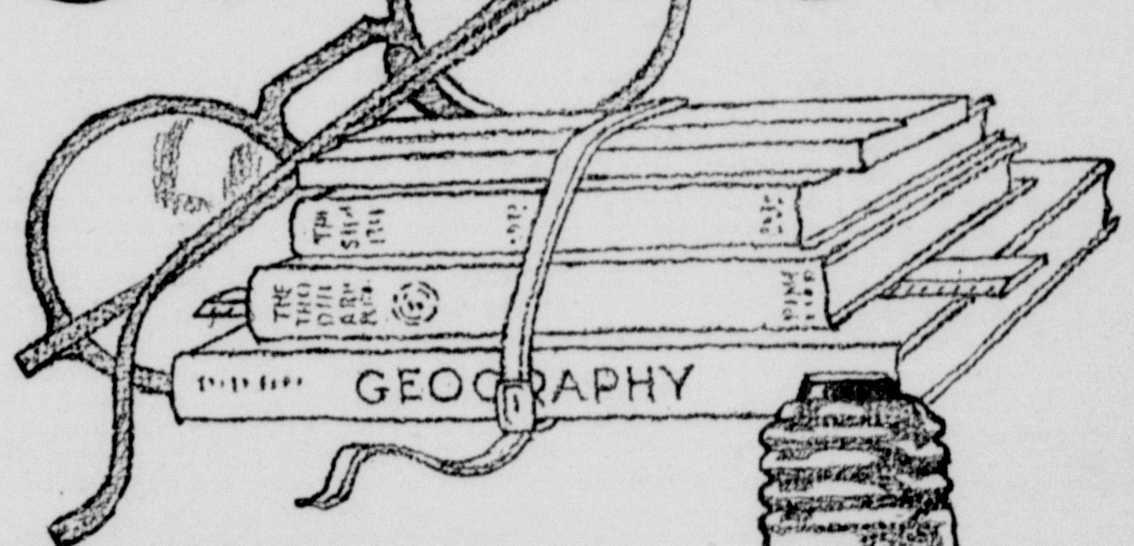

These are days when experience and skill in management tell. Our depositors have a very comfortable feeling that, come what may, their security and their interests are paramount. Always conservative, even when the world went mad, we found that "to make haste slowly" is a safe banking axiom.

GLASSES -

OR GOOD LIGHTING

Children's eyes are delicate. They need special consideration. Scientists tell us children's eyes are more susceptible to eyestrain than grown-ups. So give your children's eyes a chance. A little thought on your part about home lighting may save them from wearing glasses later on.

Here are a few general rules to follow: Have light in adequate quantity and correctly diffused. All lights should be shaded so you are unable to see the light bulb. Some general illumination is most desirable in addition to portable lamps. When portable lamps are used for reading or study they should be so placed that there is adequate illumination on the work with the light coming over the shoulder.

If our electric bills were itemized, we would then see that lighting is really only a small part. So accustomed have we become to the other electric services that we sometimes forget how many times a day electricity serves us. It makes our toast in the morning. It sweeps the rugs. It washes the clothes. Then it irons them. Considering the time and labor it saves, what other money do we spend which brings greater returns in comfort and convenience?

## OUR TOWN

(continued from page one)  
est influence in all the history of Texas politics.

The Houston Press with that intrepid editor, Marcellus E. Foster began on Tuesday a series of installments of Jim's life story. He worked in mines and waited on tables in the west and it will tell how he began farming in Bell county and became a banker. His early struggles to become a lawyer and how he decided to spend \$30,000 to become Governor of Texas. How a meeting in a Houston blacksmith shop decided his political future. Dick Vaughan with the Scripps-Howard string of papers writes this story for us. Writes it as told by Jim himself. The Houston Press was the only newspaper in Texas to fight with the people for Jim and Ma. You can get it three months for \$1 and you should take it.

Jim's life is a colorful era in Texas history. He became governor and for the first time the story tells how he won and how he whipped Joe Bailey in the El Paso convention. How and why he was impeached, an illuminating story of a crime committed against him. Then follows the dark days, how he fought and his political experiences after his impeachment. How he ran for Senator and for President on the American Party ticket and was defeated. How he returned to power when Ma was elected governor in 1924; how he was beaten in 1926 and how he came back in 1932. His visits and talks with Woodrow Wilson are in the story; his visit with Carranza, the Mexican President.

Vaughan's story catches a true picture of Jim Ferguson and as far as possible paints a picture of the leader, his homely and expressive, understandable, pungent language. Jim Ferguson is the last of three great personalities in Texas politics who have for 60 years been a ruling force in Texas. These three were Jim Hogg, Joe Bailey and Jim himself. How Jim's story is to be told—his political reminiscences—and they are the history of Texas politics since 1914. Whether you like Jim or hate him you got to admit that his is the dominant personality in Texas political history.

## Wins His Plea

Dr. John R. Brinkley, candidate for governor of Kansas, goat gland specialist, and ramrod of XER—the sunshine station between the nations, Villa Acuna, Mexico, has won his plea of privilege for the right to be tried in Del Rio. The State of Texas seeks to revoke his license to practice medicine.

## Legionaires

(continued from page one)

In big style, lots of barbecue, good coffee, pickles and slum; we have found that a good feed will bring the gang out, and some of the members come from adjoining counties.

L. P. Gohmert reported that the Legion Garden was looking good and we would soon have vegetables to help out the United Charities in their work this winter.

### Food To Charities

The Post voted to turn over to the United Charities about 500 cans of food that we have on hand.

Edwin Hardy Post will sponsor a play during the week of November 11, this play is being presented by the Methodist church of Minerva.

Final plans for the annual November 11th dinner were worked out. Mrs. B. P. Matocha is chairman of the dinner committee. Jim Baskin was appointed general chairman. Hon. Alvin Owsley, Past National Commander of the American Legion will be the speaker for this annual celebration.

### Perkins Is Chairman

L. Van Perkins, was appointed chairman of the program for November 1st meeting. This program will be an entertainment for the Spanish American War Veterans and all these veterans of Milam county are urged to be present. Major E. H. Roach, of Taylor, active Legionnaire and Spanish American War Veteran will be the principal speaker on this program. Grady Little was carried over on the eats committee and that means more eats.

### Membership Drive

The Post was divided up into two divisions again and the annual membership drive is on. L. Van Perkins is Admiral of the Navy and Joe Richter is Commander in Chief of the Army. The losers will have to pay for the big feed at the February meeting.

### METHODIST CHURCH

Next Sunday morning the assistant pastor, Rev. W. W. Connerly will preach and in the evening service the presiding elder Rev. E. L. Ingram of Marlin will preach.

The fourth quarterly conference will be held in the church immediately following the evening service. As this is, perhaps, the most important meeting of the conference year all members are urged to be present.

Rally Day will be observed in the Sunday school next Sunday, also. A special effort is being made to have every teacher and officer and every member of the Sunday school present and good programs are being prepared for the various departments by their superintendents. Visitors are cordially invited and any who may be interested in becoming members of the Sunday school will be most gladly received.

Epworth Leagues will meet at 6:45 and all children and young people will find a place for work and training in one of the three departments.

## NEGRO GIRLS CHARGED IN ED MORTON KILLING ADJUDGED JUVENILES

Pearlie and Corinne Hyder, negro girls, charged with the killing of Ed Morton, negro, in an abandoned house in Cameron's west side, in August, have been adjudged juveniles and declared delinquent children. Sentence was withheld and they were paroled to their uncle in Williamson county.

Morton was killed with a knife after he had attacked the girls in the house. The girls testified Morton's attentions had led them to the killing. In a statement to District Attorney Jack Lewis the girls detailed a sordid story of immorality with Morton and they told how the killing occurred and reasons for doing so.

Mrs. J. C. Mayfield who has been ill for several months is slowly recovering.

## Newspaper Auditor and His Slayer

W. R. RYALS

How A. J. McGuerty, newspaper auditor for the Audit Bureau of Circulation met death by his own gun in the hand of W. R. Ryals, has been told in Ryals' confession to Ft. Worth police. Ryals killed McGuerty near Ft. Worth, put the body in McGuerty's car, drove to Galveston and buried the body beneath a cottage on the beach. Ryals robbed McGuerty of \$213.

on deposit in the Cameron State Bank when it failed on December 17 was \$33,759.20, the largest depositor having \$23,614. Their names are attached to the petition in an exhibit. Four attorneys sign the petition for the depositors. They are S. G. Krueger of Bellville, J. K. Freeman, B. P. Matocha and M. G. Cox of Cameron. They ask that the county share with depositors on the \$34,000 which was not covered by bond from the bank.

### Commissioners Court Scored

The petition charges that the Commissioners Court composed of the county judge and four commissioners was negligent of duty and failed and refused to act in the emergency to protect the funds of the county and by reason of such failure, as alleged, the funds on deposit in excess of the bond should not be paid out but should share hazards with other depositors. The petition says that if a dividend of 40c or 50c were paid on the deposits the county would receive \$128,500.00 whereas it only had \$108,500 on deposit. The point at issue is that the depositors contend the county should not be paid a dividend on the entire amount which, it is said

the banking commissioner has agreed to do in writing and same was made of record in the minutes of the court. The commissioner has not paid over the money.

## Homer Peel Is Drafted By New York Giants

Homer Peel has been drafted by the New York Giants from the Texas League and will report to the National League club for spring training. Homer has been with the Houston Club in the Texas League for several years, has played with the Boston club of the National League, with St. Louis Cardinals and in the Eastern League. He got his early baseball experience in Cameron under William Rogers, veteran trainer and authority on baseball. Peel was one of the high men in Texas batting this year and missed leading the league by a small margin, a record he has maintained through several seasons.

## Take a Pinch of BLACK-DRAUGHT For Distress After Meals

He had suffered distress after meals, but by taking Theodor's Black-Draught he was relieved of this trouble, writes Mr. Jess Higgins, of Dawsonville, Ga.

"I had sour stomach and gas," Mr. Higgins explains, "and often I would have bilious spells. I read about Theodor's Black-Draught and began to take it. It relieved me of this trouble. I keep it all the time now. I consider it a fine medicine. I take a pinch of Black-Draught after meals when I need it. It helps to prevent sick headache and to keep the system in good order."

Now you can get Black-Draught in the form of a SYRUP, for children.

and I kept losing weight. I grew  
nervous over my condition—this  
was unusual for me, for I am very  
cheerful when I am well and don't  
easily get nervous. I knew I  
ought to take something. My aunt  
told me I ought to try Cardui,  
which I did. I began to feel bet-  
ter. I kept it up until I had taken  
three or four bottles. My side  
quit hurting and I was soon feel-  
ing strong and well."

Cardui is sold at drug stores here.

This dam about 15 feet high with  
a 9 foot high concrete spillway had  
filled the washout up to within a foot  
of the top of the spillway, which will  
be raised several more feet to make

extending through the middle of this  
fine black land farm.

## Trench Silo Seen

The next project visited was Gao  
T. Graves' trench silo, the first one  
in the county. This was found to be  
a model of its kind, 120 feet long, 9  
feet wide and 9 feet deep, to hold 115  
tons of silage. It was cut out of a  
slope towards a creek, was protected  
by a dike and will be easy to fill  
and easy to empty, giving better ser-  
vice than an expensive wood or con-  
crete silo, which would have cost \$250  
or \$300. This silo cost \$15 for ex-  
tra help, according to Mr. Graves.

## Terraced Farm Seen

Many well terraced farms were  
passed on the road, which were con-  
structed under direction of Mr. Banz-  
haf. The tour ended in Cameron at  
1 p. m., when luncheon was served at  
the Milam hotel.

One of the striking statements made  
by Mr. Short in an after dinner speech  
was that no borrower from the Fed-  
eral Farm Loan Bank had ever been  
dispossessed or gotten into serious fi-  
nancial difficulties, who had terraced  
his land and his family had co-operated  
with the Home Demonstration  
Agent.

On Premiums  
Fire Insurance

Cameron's present fire insurance  
key rate of 31 is below the average  
of 40 for the 35 East Texas cities of  
2500 to 7500. The city has a credit  
of 15 per cent for a good fire record  
as compared with a credit of 2 per  
cent for a good fire record for the  
same group of cities.

Net fire insurance premiums paid  
during 1931 amounted to \$40,458. Be-  
cause of the credit of 15 per cent in  
1930 and the credit of 15 per cent in  
1931 the policy holders of Cameron  
saved \$7,140 on their premium pay-  
ments.

## Data Is Gathered

This data has been developed by  
the East Texas Chamber of Com-  
merce in its study of fire insurance  
costs for the 156 protected cities of  
East Texas. The regional chamber  
is focusing attention on the dollars  
and cents savings of property own-  
ers in cheaper fire insurance pre-  
miums through fire prevention. It  
is an effective way of calling atten-  
tion to National Fire Prevention Week  
to be held this year October 9-15.

## Prevention Necessary

Preventing fires means good fire  
records. If a city maintains a three-  
year average fire loss ratio of 35

per cent or less the city receives the  
maximum 15 per cent credit for a  
good fire record. This means the  
policy holder gets a dollar's worth of  
insurance for 83 cents. Credits of  
12, nine, six and three per cent are  
allowed accordingly as the loss ratio  
goes up to 55 per cent. When the  
three year average fire loss ratio  
climbs to 85 per cent or more the max-  
imum 15 per cent penalty is charged  
the city. This means that the dol-  
lar's worth of fire insurance costs  
\$1.15.

## MORE LIONISM AMONG LIONS IS CLUB MOTTO

The doctrine promulgated by International Lions Clubs president, Julian C. Heyer, "More Lionism among the Lions rather than more Lions in Lionism," and which principle is strongly advocated by president O. C. Acree of the Cameron Lions Club, is to be the motto of the club for the coming year.

### Assist Unemployed

Already members see evidence of the enlarged program that is being mapped out by President Acree and the club directors. It is announced this week that the club will take over and assume the work of the distribution of labor in the employment division of the United Workers. The office will be at the Presbyterian church under the personal supervision of Lion Acree.

### Program At Temple

This week Cameron Lions Club is putting on a special program for the Lions Club at Temple, a report of which will appear in the next issue of this paper.

### Assist Students

The Lions Club announces that the Lions Club student loan fund started by the club last spring has already been able to render financial assistance to two student graduates of Yoe high school, who through this aid are now attending college. Miss Angie Ernest of the class of 1932 has been assisted by this fund and she is now attending Baylor University where she is specializing in journalism. Also Mr. Robert Irby Wise of the same class has been rendered aid by this fund and is now at the University of Texas. The committee in charge of the Lions Club Student Loan Fund has we feel sure, made wise selection in these two young people, both of whom graduated with very high student rank, and it is expected that they will be able to hold their own among the State's best at these two universities.

## Former Resident Is Buried At Liberty

Friends in Cameron will be grieved to hear of the death of Mrs. J. T. Bullock, formerly of Cameron, who died Sunday, October 2 at a hospital in San Angelo, following an operation for appendicitis. The funeral was held Tuesday morning at Liberty near Milano. The remains were laid to rest in the Liberty cemetery.

Mr. and Mrs. Bullock made Cameron their home for about three years prior to moving to west Texas and while here made many friends. Mrs. Bullock was a young woman, is survived by her husband and a number of relatives.

George Tiffany Moore Jr., left last week for Austin where he entered State University for the fall term of school.

## COUNTY HEALTH COUNCIL HEARS DISCUSSION ON CONTROL OF MALARIA

The county wide meet of the County Health Council held Tuesday afternoon at the Country Club, with their president, Mrs. J. P. Love presiding, was a very enthusiastic meeting.

Miss Edna Southard, Sanitary Instructor of State Health Department, was principal speaker of the occasion and gave an instructive talk along the lines of sanitation and preventatives of the malaria mosquito. Dr. W. R. Newton, County health physician was present and spoke on the subject of prevention of malaria, the disease known as malaria or "chills and fever." These parasites live at the expense of the red blood cells. The parasites are transmitted from a person suffering from malaria to a well person. The malaria carrying mosquito is harmless until she has fed on a person suffering with the disease. The number of malaria parasites injected into the blood by the mosquito is usually small, but they rapidly increase until millions may exist in the blood.

### Weakens Condition

When the number of malaria parasites in the blood is small an infected person may remain apparently well. As the number increases he begins to suffer with fever. When as many as 150,000,000 parasites divide at one time, sufficient poison is released to cause the rigor or chill, characteristic of malaria. Malaria death rate is not high, only one in every 200 cases die. But the disease lowers a person's resistance and they are susceptible to other diseases.

### Three Kinds of Malaria

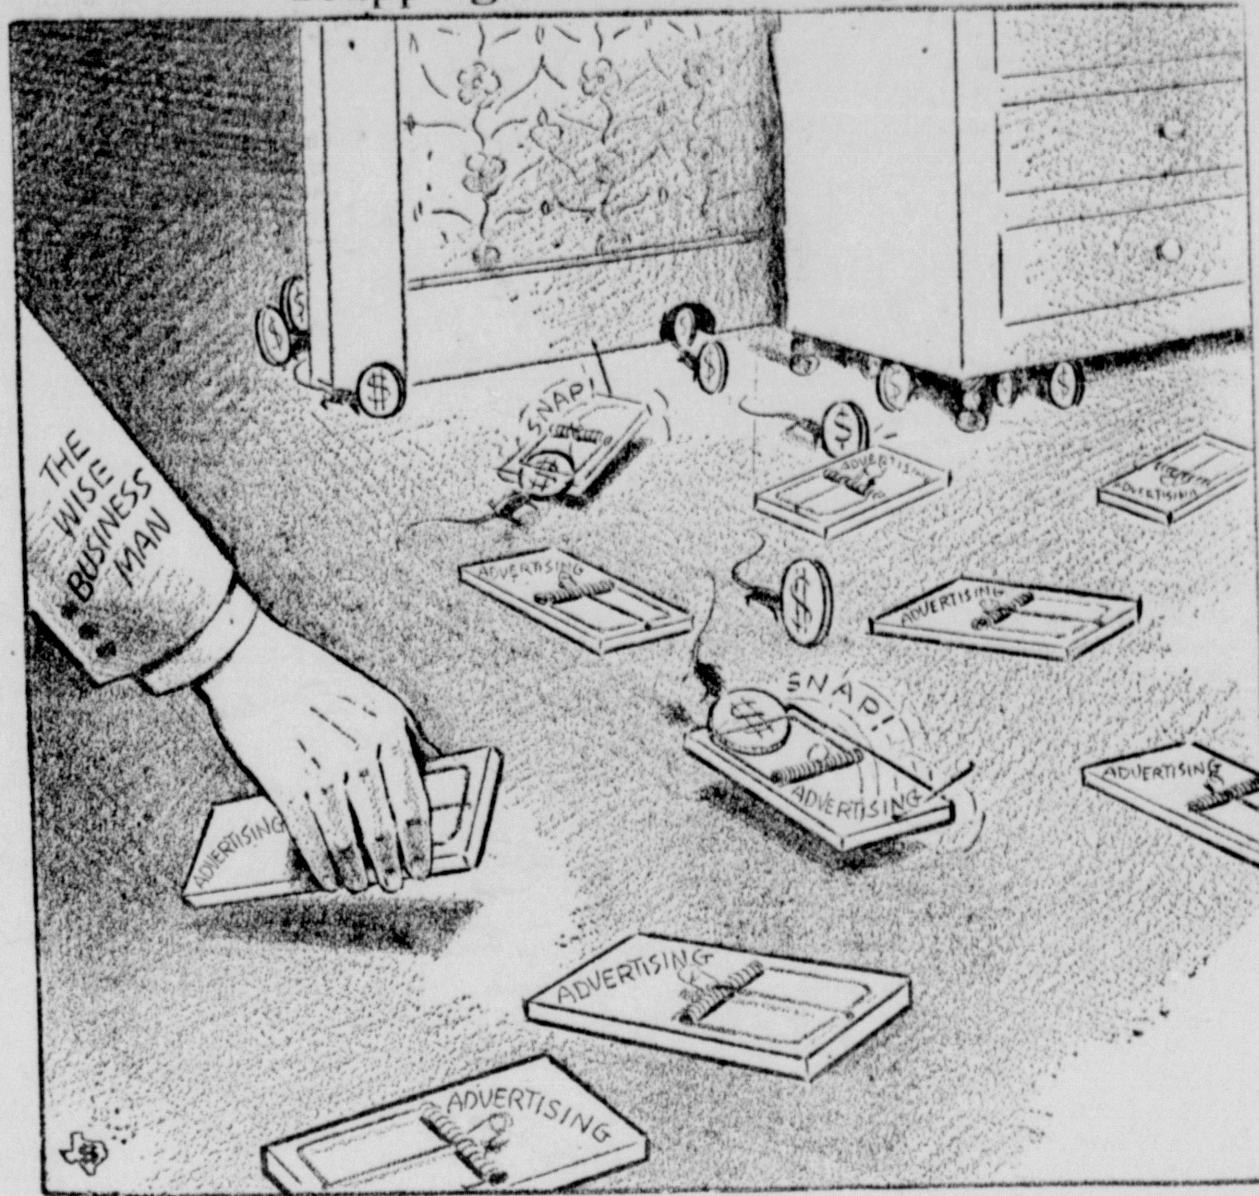

There are three different kinds of malaria (1) Quartan with which the victim chills every three days; (2) tertian, with which the person chills every other day and (3) estivo autumnal, characterized by a chill every day. Treatment continued over a period of weeks under a doctor's care and direction will cure the disease.

A locality is malarious only when it contains persons infected with the parasite and also sufficient numbers of the proper species of mosquitoes to carry the infection to the healthy person. A malaria mosquito does not fly far or high.

### Cost Per Case

Each case of malaria in a county represents an annual cost of \$25.00 for medicines, doctor's bills and lost time, besides suffering. These mosquitoes breed only in water. Drain-

## Trapping Season Now Open

age, filling or oiling standing water at ten day intervals will control mosquito breeding. The ornamental fish pond provides an ideal breeding place for the malaria mosquito. Top water minnows are natural enemies of mosquito larvae. A half dozen placed in the fish pond will keep down the mosquito breeding.

### Breeding Places

Any container holding water for as long as ten days in temperate weather will breed mosquitoes. Mosquitoes will breed in discarded tin cans. Housewives should see that tin cans are punctured at both ends, mashed flat or better still, buried. The malaria mosquito may be distinguished from other mosquitoes by their spotted wings and their resting position. The malarie parasites often produce anemia and enlargement of the spleen, especially with patients who have suffered many relapses.

### Social Hour

At the close of the instructions there was a social hour when all the heads of the study and service clubs served cheese wafers and hot tea. The young ladies assisting in the social hour were Misses Bonnell, Neinast, Gladys Davis, Lois and Ruby Robbins, Henriem Hefley and Arnette Ryan.

Those in charge of the affair are grateful to Clark Kelly for the many beautiful roses given and to Matocha Hardware Store for the use of their attractive new china.

### PROMOTION DAY

Last Sunday was Promotion Day at the First Methodist Sunday School and next Sunday will be Rally Day. Everyone is asked to be present and bring some one with them. Quite a great deal of interest was manifested by the students in the promotion and progress was seen along all departments. The summer has passed and as cooler days come, a larger attendance is expected.

## Boy Scout News

**Troop 52, J. A. Lindle, Scoutmaster**  
Troop 52 held their regular meeting Friday night, September 30 in K. of C. Hall, with an attendance of 17 registered Scouts, the Scoutmaster, assistant Scoutmaster, two troop committeemen and three visiting

boys and one visiting parent. Troop 52 is still active and has maintained 95 per cent Scout attendance, 100 per cent leadership and 90 per cent troop committee attendance for the month of September, which is a good record for any troop. Actual work was be-

gun on the outstanding troop project which will be made public at a later date and individual projects were planned for the winter months and soon 52 will be booming with activity.

Former Star Scout Louis Matula has again joined our ranks as assistant Scoutmaster. Louis is one of the charter members of 52, an all around Scout and gives promise of splendid leadership ability. This troop now has a full junior leadership staff which is quite a credit to the troop and consequently has a splendid outlook for achievement in the future. Saturday night Scouts Hensley, Stanislaw, Houston and Willie Moraw, staged a patrol overnight camp on Little River. They report a good time and a good night's sleep in the cool October air.

**Troop 53, J. W. Haygood, Scoutmaster**  
We went on a hike Friday night with 21 present, leaving the Presbyterian church at 6:15 p. m. Gamble's pasture was our first stop where we ate supper, those who had not eaten on the way. After supper we played games until 9 o'clock. All seemed to have a good time.

**Troop 32, B. L. Archer, Scoutmaster**  
The boys of Troop 32 met in the Scout hall Friday night for the regular weekly meeting. Roderick Long, patrol leader for the Cat patrol had charge of the meeting. We are expecting to have a Court of Honor this Friday evening, October 7, as a number of Scouts are anxiously awaiting the awarding of an advancement and the reception of earned merit badges. After a very enjoyable evening, we were dismissed with the Indian benediction.

### MISSIONARY SOCIETY

Monday afternoon was study day for the ladies of the Missionary Society at the First Methodist church. Mrs. W. O. Triggs reviewed the book "Good Earth," a story of the Chinese family. Mrs. R. L. Batte gave a preliminary of the new book to be studied the coming quarter.

**Salon Opens Tuesday, October 11**  
**Closes Saturday, October 15**  
**In City Park at Cameron**

YOU are cordially invited to attend a salon of the New Ford V-8. For the first time all fourteen of the new Ford body types will be on display here. You can inspect them conveniently, carefully and at your leisure.

One of the features of the show is that arrangements have been made for you to ride in and drive the cars if you wish. There is, of course, no obligation. We sincerely want every one to ride in this great new car and realize, first-hand the thrill of its amazing performance. Don't miss this splendid opportunity.

A cutaway chassis is also on display. You can examine every working part, see how it functions, learn the care with which it is made and realize the simplicity and sturdiness of Ford construction.

There are talking pictures and special exhibits which show many of the new features.

Attendants will be on hand to give you any information you might wish about the cars, or the details of their construction.

If you phone your Ford dealer he'll gladly pick you up at your home or office and take you to the salon.

### CHILDREN AND FRIENDS HONOR BELOVED CAMERON MOTHER ON 72ND BIRTHDAY

An event looked forward to by the children and grandchildren with increasing eagerness each passing year and with more joyful anticipation is the birthday of Mrs. Ida Avriett. The celebration this year was held at the home of this lovely woman's daughter, Mrs. W. O. Triggs at 6 o'clock Sunday evening. For the dinner the honor guest was seated at the large dining table surrounded by all her children and grandchildren and a few close friends of the family. Roses and Queens wreath were used for table decoration and were placed throughout the reception suite, and a joyous good time was had around the tables.

After the dinner a program which included many old songs and readings was greatly enjoyed, especially so was the number given by Lucille, the talented little daughter of Mr. and Mrs. Chas. McDermott, in which grandmo-

ther was featured in a song the words of which were:

Somebody loves us each hour of the day  
Her prayer will follow us o'er all the way,  
Somebody's cookies and somebody's jams

Taste like they came from our grand-mother's pans.  
Somebody's life is so full of good deeds  
Plum full of flowers without any weeds,  
Somebody loves us and how do we know  
Her whole life tells us so.

This happy celebration was attended by Mr. and Mrs. Giles Avriett and children, Giles Jr., Jack and Don Marie; Mr. and Mrs. W. O. Triggs, Mr. and Mrs. Chas. McDermott and daughters, Frances and Lucille; Mr. and Mrs. Wm. R. Rogers and sons, Reed and Kenneth; and Miss Myrtle Avriett. Friends other than members of the immediate family who enjoyed the hospitality of the occasion were Misses Jeff Lewis, Lillian Atkinson, Lucile Dickard, Alice Adele Wilkerson and Louise Lanham.

#### MILAM COUNTY W. M. U.

The Milam County W. M. U. met Monday for an all day session. Mrs. Wilson Gunn, president in the chair and Mrs. L. E. Strickland of Rockdale led the devotional.

Rev. N. D. Timmerman gave the welcome address to the ladies; response was given by Mrs. Sharp Young of Thorndale. During the session T. D. Carroll, who had been leading the choir during the past two weeks meeting, favored the session with a voice solo.

During the meeting the standing committees gave their reports which were very satisfactory and interesting.

Cameron ladies served lunch at the annex at the noon hour. In the afternoon session Mrs. Jessie Maxwell of Austin, District President of the W. M. U. and Mrs. Bentley of Austin, corresponding secretary of the District, brought inspirational messages to the ladies. The meeting was dismissed by Mrs. T. S. Henderson.

#### BAPTIST W. M. S.

All circles of the Baptist W. M. S. met at the church Monday afternoon for a business session. In the absence of the president, Mrs. Conn Miller presided. Mrs. John Denson led the devotional.

They will meet next Monday as

follows: Eunice Taylor Glass circle will meet with Mrs. S. M. Burns Sr., Mrs. L. L. Blaylock will be hostess to the Lilly Mae Hundley circle, Lottie Moon circle will have Mrs. Harvey Dobbins for hostess. Mrs. C. W. Bradbury will be hostess to the Lois Howard Mashburn group. All circles will meet at 3:30 o'clock. There were 25 members present at the meeting Monday afternoon.

#### DELPHIAN CHAPTER

Mrs. Niley Smith was hostess to the Delphian Chapter Tuesday afternoon when a continued program was given on music.

In the absence of the president, Mrs. Lena Baskin, the vice president, Mrs. Frank Lesovsky, presided over the business session. Mrs. LaBertice Robinson had charge of the program.

Subject: Christian Music from the Fourth to the Eleventh Centuries. Those to assist on the program were Mesdames E. A. Flinn, T. A. Fisher, Joe Denson and Frank Lesovsky.

Mrs. Edna Warfield of Waco was a guest of the club.

#### BUSINESS WOMEN

Mrs. Katherine Robbins was chairman of the membership meeting held by the Business and Professional Women Club Tuesday evening at the local water company office. A short business session was held by the president, Mrs. Lottie Bigbee.

Roll call was answered by giving the reason "Why I Like the B. & P. W. Club," which proved very interesting. This was followed with two piano numbers given by Miss Lucille Dickard. Miss Iva Wilson read a paper on "The Vocations of the Club Members," which was very interesting.

At the close of the business session Miss Lillian Atkinson, as hostess for the club, served delicious sherbert and cake. Miss Lucille Dickard was a guest of the occasion.

#### CLOVER LEAF BRIDGE

A decorative theme of pink, yellow and green featuring fall roses and lacy ferns were used at the party given by Mrs. Earl Burke when she entertained the Wednesday Clover Leaf Contract Bridge Club at her home this week.

Club members enjoyed a lively tilt in games when Miss Dulce McCall was winner of highest score and received French stationery as her trophy.

Mrs. Charlie Nabours assisted the hostess in serving light refreshments at the conclusion of the games. The club meets every other Wednesday in the month. Mrs. Max Fox will be hostess at the next meeting.

#### CONTRACT BRIDGE

Naming one of their members, Mrs. John Cecil Culpepper, who is the bride of the club, as honor guest, the Tuesday Contract Bridge Club met for their first event of the season with Mrs. A. E. Kruse this week.

Mrs. Culpepper, who was Miss Mary Lake Henderson before her marriage this summer, was presented with a lovely guest book by the president of the club, Mrs. Albert Triggs, in a pretty toast. Mrs. Culpepper responded with beautifully worded thanks.

The hostess served a delectable salad course with hot tea at the close of the games. Pretty merrigolds lent floral beauty to the rooms given over to the players. Guests other than club members present were Mrs. J. C. Martin and Miss Jane Bowers of Austin, a sister of the hostess.

The club will meet every first and third Tuesday afternoon of the month. Miss LaVerne Bowmer will be hostess at their next meeting.

#### PASTOR AND WIFE ENTERTAIN

Mr. and Mrs. Niley Smith and son Niley Jr., of Cameron, attended the entertainment given Rev. George McClellan and bride, pastor of the Baptist church at Branchville, Saturday evening when the church entertained with a barbecue on the lawn of the church. Following the feast, all were invited into the church where a pretty Tom Thumb Wedding was presented under the direction of Miss Dora Emily Moore of Cameron.

The house was appropriately decorated for the occasion with pink roses and ferns.

Miss Mary Ruth Porter presided at the piano and gave the wedding music and little Sarah Bath Looney and Annice Harlan sang "I Love You Truly" in a very charming manner.

The ushers led the bridesmaids, little Louise Henson and Louise Wilkinson, who were attired in lovely colonial costumes wearing large picture hats and carrying arm bouquets of pink roses and fern fronds, entered and took their places at either side of the altar, followed with the dainty little flower girls, Mary Lou Walston and Fay Henson, dressed in dainty fairy costumes, dropped rose petals from pretty baskets and took their places at the altar. The bride and bridegroom, Jessie Mae Gould, daughter of Mr. and Mrs. Tom Gould

As in the case of the college student, it takes but little to start the New York street urchin off on a parade. He finds a long pole, or even a discarded and dilapidated broom, which will do for a flagpole. He and his companions seize on a pile of cery stalks thrown out by a grocer; these are carried as swords or muskets, and the line of youngsters perhaps half a dozen in all, march proudly up the street to the badly sung tune of "The Mairne Stein Song."

from destructive **ROT and DECAY!**

**DON'T** let rot and decay add hundreds of dollars to your upkeep expense in repairs and new millwork. At least protect the badly worn places—the sills, thresholds, outdoor stairs, pillars, etc. A gallon or so of Lowe Brothers H. S. Paint will do it. A few pennies for each badly weathered spot **NOW** may save as many **dollars** next spring. Act promptly before winter does costly damage.
